ARLINGTON HEIGHTS HERALD

VOLUME 24, NUMBER 41 | Published Every Friday by PADDOCK PUBLICATIONS, Inc. | Entered as second class matter under act of March 3, 1879, at Arlington Heights, Ill. | ARLINGTON HEIGHTS, ILL. | FRIDAY, JUNE 8, 1951 | 3 SECTIONS — 24 PAGES | $3.00 PER YEAR

2ND ANNUAL ARLINGTON HOME SHOW NEXT WEEK

Moves office to Barrington to make room for switchboards

Illinois Bell engineers — after months of effort — have improvised a method to install more switchboard positions in the Arlington Heights telephone building, Manager W. C. Lathen announced today.

As a result, almost everyone now waiting for telephone service in Arlington Heights, Mount Prospect and Prospect Heights should have their service before the end of the year, the manager said. Previously, it had been thought that some would have to wait until the cutover to dial service next summer.

"Our problem here has been two-fold—space and equipment," Lathen said.

"Three months ago we found the type of switchboard positions used here in Michigan, and we bought them. However, they were not equipped with 'multiple.' Still unable to find more room in Arlington Heights, we looked in Barrington and a few weeks ago leased some space there.

"That still left us with the 'multiple' with which to equip the switchboard positions. Our engineers tackled the problem and came up with a way of using the 'multiple' from a different type of switchboard. I haven't heard of this ever being done before."

Lathen said the record section of the Arlington Heights business office will be moved to Barrington and the vacated space in the Arlington building will permit us to install the additional switchboard positions.

"This is a costly project—moving the part of the business office and purchasing and installing switchboard positions on a temporary basis—but we are willing to do anything possible to speed the day when people of this area will have all the telephone service they want, when they want it."

Seeks priority for telephone service thru ICC commission

Illinois Commerce Commission hearings on the complaint of W. E. Davis of Arlington Heights against the Illinois Bell Telephone Company because of his inability to get telephone service in his home at 555 Banbury rd., have been continued until Friday, June 15.

Commission Examiner William E. Helander granted the continuance last Friday to permit Mr. Davis to prepare more evidence on his need for a priority for telephone service.

At last Friday's hearing Mr. Davis described his business interests and their connection with the nation's defense program. He also introduced a letter from a physician regarding the need for a telephone from a family health standpoint.

Both Mr. Davis and W. C. Lathen, Illinois Bell manager at Arlington Heights, testified on correspondence and conversations regarding Mr. Davis' efforts to obtain a priority for telephone service.

Mr. Davis' attorney questioned Mr. Lathen on the telephone company's priority procedure and on specific cases of the company's providing service which had come to Mr. Davis' attention.

W. J. Seibt, Illinois Bell engineer, testified that — after months of effort—the telephone company had found a way to expand the Arlington Hts. switchboard so that approximately 650 additional telephones can be connected by the latter part of this year.

On May 21 Examiner Helander heard testimony from four other Arlington Heights residents who had filed complaints similar to that of Mr. Davis. They are R. A. Jakubiec, Robert W. Sullivan, A. B. Wood, and John McCloud.

Old Plum Grove road estates find way to fight mosquitos

Residents of Plum Grove woods along the Old Plum Grove road will not have to fight mosquitos this summer if the dusting job which was done Tuesday evening accomplishes the purpose that is expected.

Wm. Reeda, one of the residents, is an official of Cropsaver Chemical Corp., Inc., which handles insecticides. Trial applications by hand made last year with products of this company proved so successful that Reeda's neighbors asked for a repeat on a larger scale.

A plane of the Central States Crop Duster Corporation, out of Wood Dale Airport with a 450 h. p. engine flew at tree top level to distribute the spray, which was a mixture that included DDT and Aldrin, a new ingredient.

An area of about 35 acres was dusted Tuesday evening at a completed cost for plane and spray of about $3.00 an acre.

Interest in the dusting attempt is being evidenced in Arlington and it is possible that some areas of that village will be similarly treated where local residents organize for that purpose.

Legion to sponsor junior baseball team

The Arlington Heights American Legion Post is reviving its junior baseball program and will sponsor a team this year, it was announced by Commander Robert B. Bishop of Merle Guild Post 208. Sponsorship of the team is in cooperation with George C. Poole, Ford dealer, who is furnishing uniforms, equipment and transportation.

The team will compete in an 8 team league playing teams sponsored by American Legion Posts in Barrington, Des Plaines, Park Ridge, Franklin Park and others. Dennis Malcomson, American Legion athletic officer, will manage the team with Russell Attis, Park Board recreation director, supervising, and Lloyd Meyer coaching.

Competition will start about June 15 with a 16 man team. All interested players are urged to attend the try-outs scheduled for 2 p. m., Saturday, June 9, at Recreation Park. See complete details on sports page .

Village to enforce non-trailer rule

Pleas of two race track couples to be allowed to park their trailers within the village limits fell on "deaf ears" at the Arlington Heights village board meeting Monday night.

The board had discussed the pros and cons of trailer parking within the village several times during the past year and finally decided to adhere to the existing trailer ordinance, which means that trailers cannot be parked within the village at any time.

MRS. OGLESBY, one of the race trackers, felt that the village was discriminating by not letting them come in. She said, "You're willing enough to let your citizens collect $500 a racing season through the rental of their homes to our people, but you're not willing to let us park our $4,000 trailers. We are even willing to post a sizeable cash bond, to show that our intentions to live in a sanitary and orderly fashion are good."

The board assured her it was not discriminating, but that it was the feeling of the general public that trailers should be banned within the village. A concession was made last year, which was in violation of the code, and the board was in agreement that a second occurrence of this violation would not be made this year or any other year.

Robert Lockwood, president of the school board of District 25, was present to get information as to how to proceed with plans for paving, sewer, water, and sidewalk for the proposed new school to be erected in Laurinwood. The board referred the matter to the planning commission.

TRUSTEE Ralph Hoffie brought in a favorable report on the use of Northern red cedar timber, following an inspection of a house in Rockford built of this material. The board granted George Rezner permission to build a home, using the red cedar timber for exterior walls.

H. R. Jacobsen, realtor, sought the board's expression to the use of septic tanks and private wells on 1/3 to 1/2 acre lots in Sherwood. The property is located along Harvard rd., between Watling rd. and Marion. There is no existing sewer and water in the property and the present situation in Arlington Heights does not permit sewer and water extensions at this time. The board took the matter under advisement.

Charles O'Hagan was given permission to erect a National pre-fab home on Walnut ave., near Willow st.

The board instructed Village Clerk Forrest F. Davis to furnish the police department with a copy of all ordinances passed so that it can see that they are enforced.

In the future citizens wishing to come before the board will be heard only on the regular meeting nights, the first and third Monday of each month. Those desiring to be heard are asked to submit their problem in writing so that the board will have something on which to take action.

Transportation of mail by bus has some advantages say local postmasters

Local postmasters interviewed this week after the first week of mail transportation by bus agree that while there are a few disadvantages there are many good features in the new service.

Chief of these is the stepping up of mail between local towns. Previously such mail was usually sent into Chicago and it was a gamble when it would be returned to the neighboring town.

Today such mail is taken to Barrington, where it is sorted while the bus waits and individual pouches and sacks for the respective towns are delivered within an hour or two.

The arrival of mail in the early morning is welcomed by some clerks who are reporting for duty extra early, in order to get the mail sorted for the carriers who in turn can leave the postoffice early. One Arlington Heights clerk meets the bus at 4:45 a.m. A Palatine clerk goes on duty at 6 a.m.

The bus service is also expected to step up delivery of some of the editions of Paddock Publications, which formerly did not reach their readers until three and four days after being placed in the Arlington Heights postoffice for such neighbors as Mt. Prospect and Barrington.

The public is interested in closing time of Chicago pouches. They are closed at Palatine at 1 and 5 p.m.; Arlington Heights at 12:30 and 5:20 p.m.

Helicopter mail service is furnished from Arlington at 7:35 a.m., 11:45 a.m. and 5:20 p.m.

Cub Fair Saturday

The Arlington Heights Cub Scout Fair of Packs 232 and 255 will take place this Saturday at 2 p. m. The Fair will be held at area 5-A in Deer Grove.

47 business firms to present displays; programs by WLS

The 1951 edition of the Arlington Heights Chamber of Commerce Home Show will open at the high school gymnasium Friday, June 15, at 6:30 p.m. and close Sunday evening at 10:30 p.m.

The success of last year's show spurred the Chamber of Commerce to plan for a bigger and better event for this year.

A great many prizes will again be offered to the public by both the chamber and the businessmen participating. Entertainment includes, for Friday evening, amateur talent, much of which has appeared and been heard on television and radio. Saturday evening, a style show will feature the latest summer fashions for 1951, in men's, women's and children's apparel, and the WLS show for both Sunday afternoon and evening.

The primary purpose of this show is to offer an opportunity for both the businessmen and the public to become better acquainted, as well as to display just what merchandise and services are available in Arlington Heights.

An admission fee of 25 cents, tax included, for adults and 10 cents for children, under 14 years of age, will be charged. The proceeds from these insignificant charges for the entertainment features and prizes offered are designated for the Chamber of Commerce Christmas fund. The moneys in this fund will be used to assist in financing a Christmas program and decorations for Arlington Heights in 1951.

The businessmen who are taking part are going all out in the elaborateness of their displays. In fact, the Arlington Heights business houses will be "on parade." Plan to attend and enjoy yourself as 6000 persons did in 1950.

Water-sewer improvement told in 12 questions and answers

The editor has had many inquiries about the bond issue for $250,000 to finance the expansion of the sewage treatment works for which the voters' approval will be asked on June 19. It is quite apparent that many persons have questions about various phases of financing that improvement and the water system improvement. The editor has put twelve questions to the Village Attorney and members of the Advisory Committee which recommended the improvement and there is published below the replies received.

1. What is the total cost of the improvements?

The total estimated cost of the proposed improvements to the sewage system and the water system is $950,000.

2. What improvements are to be made at this cost?

The improvements to be made are the enlargement of the sewage treatment plant to increase its capacity, and the construction of a relief sewer, the cost of which is estimated at $700,000; and the improvement of the water system, roughly consisting of storage tanks, a new deep well, water supply pipes, pumps and other facilities, at a cost of $250,000.

3. How are these costs to be financed?

By the issuance of $250,000 in general obligations bonds and $700,000 in combined sewer and water revenue bonds.

4. What is the difference between a general obligation bond and a revenue bond?

General obligation bonds and the interest thereon are paid out of general taxes levied by the Village on all the property within its boundaries, whether improved or vacant. Sewer and water revenue bonds are payable from the revenues of the sewer and water systems which revenues consist of the water and sewer rates paid only by the users of water and the sewer system.

5. Why does the Village not finance the whole improvement by general obligation bonds?

First, because the village has not sufficient bonding power to issue $950,000 in such bonds. The bonding power of municipalities is limited by statute and the limit of the Village of Arlington Heights is approximately $500,000. It has now outstanding approximately $100,000 in general obligation bonds, $80,000 of which were issued for library purposes. With the additional $250,000 proposed to be issued for the sewer improvement, the total bonded indebtedness will be approximately $350,000, leaving at present a margin of approximately $150,000 as a safeguard in the event some emergency should arise requiring issuance of further bonds; and secondly, general obligation bonds must by statute be fully paid within 20 years. The payment of $50,000 in principal and the accruals of interest on the unpaid balances from time to time within 20 years would throw a heavy burden upon the present and near future taxpayers and the users and taxpayers after the 20 year period would go scott free, although the improvement would still be serviceable, as the estimated life thereof is considerably beyond 20 years.

6. Would it not be cheaper for the village to annex to the Chicago Sanitary District and eliminate the problem of sewage disposal?

Study of this question has disclosed that to the Village as a whole, and to the larger number of property owners the annual taxes that would have to be paid to the Sanitary District far exceed the annual cost of the proposed improvement and its maintenance. The reasons therefor and detailed data in connection therewith upon which the committee based its judgment will be explained in next week's issue of this paper.

7. Why has the State Sanitary Water Board insisted upon the expansion of the sewerage treatment plant?

For several years the State Sanitary Water Board has received complaints from people located along Weller Creek, into which the overflow from the sewerage treatment plant empties, and the Sanitary Water Board has made an investigation and reported that our treatment plant is overloaded; that the sewerage does not receive adequate treatment a large part of the time, causing pollution of the stream and a health hazard to the community. The Sanitary Water Board has notified the Village that this condition must be remedied and has limited its future use until the condition is remedied.

8. What authority does the State Sanitary Water Board have to interfere with the Village's control of sewage disposal?

By statute the Sanitary Water Board is given control of and jurisdiction over all streams and bodies of water in the State, not under jurisdiction of a Sanitary District for the purpose of preventing and abating water pollution. It is also given the power to compel municipalities and individuals to take the necessary steps to prevent or cure pollution.

9. What would happen if the Village did not comply with the demand of the Sanitary Water Board that the plant be improved?

The Sanitary Water Board can prohibit increased use of the facilities and institute legal proceedings against the Village to cure the condition and enjoin any contamination and if there is no compliance could possibly hold the community and its officials in contempt of court and have heavy penalties imposed on a per day basis, which would be in the nature of a judgment, and which would have to be paid by the levying of taxes on the community. It also has the authority to cause public officials to be fined for wilful disobedience of its orders.

10. How will the revenue bonds be paid?

They will be payable over a period of 38 years with comparatively light payments over the first 20 years, while the general obligation bond issue is being liquidated, and the ordinance will provide that at the option of the Village bonds maturing the latter part of the period may be prepaid out of accumulated surplus earnings of the system.

11. What will determine the amount of rental that residents will pay for sewer use?

The amount of rental must be sufficient to meet the anual cost of retiring the principal of the bonds as they fall due and the accrued interest on the bond issue, and the maintenance and operating cost of the system and some reserves provided by statute to make certain that there is sufficient in the retirement and interest fund at all times to meet payment of the bonds and interest.

12. Why does the Village not pay for the improvement entirely by the issue of revenue bonds?

The payment of the entire cost by revenue bonds would not be a fair distribution of the costs as all the costs and maintenance would be thrown on only the users of the system. Unimproved property in the community and the owners thereof would contribute nothing, although such property will receive a material and direct benefit from the improvement in the way of being able to obtain the use thereof at any time in the future. Likewise Industrial and Commercial property deriving large indirect benefits from these improvements would pay an amount proportionate to the value of these large indirect benefits.

Heights industries have jobs for 150 men and women

Arlington Heights industries are uniting in a campaign advertising the job potentials that exist in that community. At a luncheon last week the employee requirements of the various plants were discussed and a committee appointed to find the best means of telling the Arlington Job Story to the neighboring communities as well as the rural districts.

THE INDUSTRIAL management believe that many people who are moving out into the country are skilled artisans, who will welcome the opportunity to enter employment near their home without the necessity of paying high transportation costs to Chicago. The saving in transportation time would be another inducement.

Representatives of the Arlington Heights industries admitted to each other at the luncheon that there might be competitors for desirable labor, but they think the supply will equal the demand if a concerted effort is made to reach the men and women who will welcome jobs near their homes.

Arlington industries do not require the same class of labor—some are light and some heavy, etc. The problem is to reach the particular person who will fit into the particular job.

A SPECIAL announcement will appear each week in the "Help Wanted" section of this paper listing the present opportunities. "Do not wait until the jobs are advertised," said Wm. Beeda, of the Crop Saver Corporation. "Management is as interested in learning what class of workmen are available as they are in what kind of jobs are available."

Arlington industries who are cooperating in the campaign to fill 150 jobs are:

Creamery Package Co.
Grigsby-Allison
Arlington Seating Co.
Crop-Saver Chemical Co.
McLean Mfg. Co.
E. W. A. Rowles Co.
Cornell Wood Products

Suburban towns fail to elect Miner to Supreme Court

Apathy on the part of voters in the suburban towns of Cook county can be blamed for the defeat of Julius H. Miner to the Supreme Court from the seventh judicial district. Miner easily carried the counties of Kankakee, DuPage, Lake and Will and in the Cook county suburbs, but Democratic candidate Walter V. Schaefer rolled up such a majority in Chicago that he was elected by nearly 40,000 votes, due to the small Republican vote in the country towns. The results are:

	Schaefer	Miner
Wheeling	164	732
Palatine	132	227
Elk Grove	80	444
Schaumburg	19	88
Hanover	135	425
Suburban	21,930	50,574
Chicago	302,550	212,009
Total 7th dist.	339,962	300,578

Lions to install new officers July 17

At the election meeting of the Arlington Heights Lions club this week the officers for the year 1951-1952 were named. President-elect E. R. Schmidt was first vice-president during the closing year and had previously served the club in other capacities.

The complete staff is: E. R. Schmidt, president; Frank P. Sesterhenn, first vice-president; Q. K. Ford, second vice-president; Leroy J. Knoeppel, third vice-president; Elmer W. Crane, secretary; Norman Dewey, treasurer; Fred Jasper and Richard W. Black, tail twisters; Dan W. Senne and H. L. Slichenmyer, Lion tamers; and C. S. Becker and J. D. Latta, directors. Holdover directors are Ray Lemke and George Schimming.

Induction ceremony is scheduled to take place on July 17 when a district or international officer is expected to take part in the program.

Rutledge Studio authorized to take baby pictures

Since the publication of an article warning Arlington Hts. citizens to beware of roving photographers this paper has received many calls asking if Rutledge Studio of Oak Park takes pictures for the Younger Generation column in this paper.

Rutledge, represented by Darrell Hibner, is the only photographer taking baby pictures authorized by this paper. However, this does not necessarily mean other door to door photographers are phonies. When they appear they should be asked for their credentials, either a village business license, or a permit from the Chamber of Commerce.

Mr. Hibner has these credentials and would gladly show them upon request. He also takes pictures for us in neighboring towns.

1 killed, 2 injured in Schaumburg accident

Scott V. Szwaley, 65, 4137 N. Ottawa st. Norridge, was killed early Wednesday afternoon at the intersection of Roselle and Higgins roads, Schaumburg.

Two young men were injured and are in Northwestern hospital, Des Plaines. They are Paul S. Johnson, 17, R. R. 2, Des Plaines, who has lacerations of the face and Wm. Rohe, 17, 1101 Peal street, Park Ridge, who has a broken leg.

The man killed was traveling north on Roselle road. The car occupied by the two boys was traveling northwest.

Arlington approves new school and rate increase by big vote

Arlington Heights again proved Saturday that its citizens believe in adequate education. Persons to the number of 815 voted over four to one in favor of an increase in school tax rate, the issuance of $325,000 in bonds to build an additional school and approval of a new school site in the northwestern part of the village to be used for school purposes at some future time.

THE INTEREST shown in the large vote shows the wisdom of broadcasting financial and housing needs of Arlington Heights elementary schools. Full publicity was given in news stories and literature sent to the homes of school patrons.

The school board took the voters into its confidence, telling the entire story. The voters responded by going to the polls Saturday afternoon, giving the propositions an especially large vote, which was also an expression of confidence in the manner in which the board of education is handling school affairs.

GREATEST INTEREST of the voters was shown in the selection of the school site on which proposition 808 votes were cast. Four other sites were "written-in" by voters. The vote was as follows:

	Yes	No
Rate increase	641	153
Building new school	652	146
Bond issue	635	155
New site approval	691	113

The new school will be located directly east of Arlington Scarsdale Estates and west of Dryden ave. The area to be used for school purposes is 250 feet south of Rockwell.

Construction of the school building will be pushed. Final plans for the approval of the members of the board of education are expected to be ready by June 19. It is planned to open bids July 24 and to let contracts early in September with the completion of the building set for September, 1952.

THE PURCHASE of the site mentioned above was given by voters at a previous election. The site approved by the voters Monday is in Arlington Ridge upon grounds that had previously been dedicated by the owners for school purposes. The vote "ties it up" for elementary school building No. Four.

Arlington Heights will have only a short breathing spell before it will be necessary to think about the Arlington Ridge school. The north side school is becoming crowded and needs relief. The south side school to be built the coming year gives relief to the present South school. The school authorities are hardly daring to think about the problem they will be facing when the first and second graders of today reach junior high school classification.

Recreation program to begin June 11

A complete summer recreational program of playground activities and swimming instruction will again be conducted for Arlington Heights children in Recreation Park under sponsorship of the Arlington Heights Park District.

This two-fold program which will incorporate ideas and objectives of the Youth committee of the Lions Club is scheduled to begin next Monday morning. The playground program will open under the direction of Russ Attis, popular track coach at the local high school, who conducted a successful program last year.

THE SWIMMING program will begin June 18, weather permitting. Registration for the free swimming instruction is necessary and will take place at the field house beginning June 11 through June 19. Although children can enter the swimming classes after the season opens, it is recommended that late registration be avoided.

The only requirement for the swimming instruction is the purchase of a season ticket permitting swimming during the entire season which is usually about 9 weeks.

Art Holland, Northwestern university senior in the School of Physical Education, and a Certified Professional Aquatic Instructor, will have charge of the swimming activity. Mr. Holland has been instructing at the Oak Park YMCA pool for the past 3 years.

Instruction will be conducted in small classes amply supervised and organized according to the ability of the children. There will be courses for beginners as well as those who can already swim. Advancement can proceed thru the Senior Life Saving program.

A GIRLS' BALLET group will also be organized as in past years and will be under the direction of Mrs. Dorothy Hull.

When registering for swimming each child must purchase a season ticket, or can enroll under the family season ticket, which permits the entire family to swim during tre season.

The rates for tickets including tax are: Family, $9:60; adult, (age 14 or over), $6.00; and child (under 13) $3.60.

There is no charge for participating in the playground program. This activity will cover supervised play for various games, baseball, track, and field events, tennis, and handicraft.

After the entire program is unded way the various phases of the Lions club objectives will be announced in detail. The Lions are vitally interested in giving the youngsters ample opportunity to enjoy a beneficial playful summer and it was decided that this objective could be reached by coordinating their ideas into the annual Park District Recreational program.

American Legion to hold open house

Commander Robert B. Bishop of Merle Guild Post 208, the Arlington Heights American Legion Post, recently announced an Open House for Veterans at the Legion Home, 121 N. Douglas st., next Tuesday evening at 8 p. m. All veterans of Arlington Heights and vicinity are invited to attend. Free refreshments will be served.

Council to discuss pros and cons of community chest

The Community Council of Arlington Heights is holding an important meeting Monday night and all organizations in Arlington Heights are urged to have their representatives at this meeting.

It will be held at the field house, and will begin at 8 p. m.

Main topic for discussion will be the proposed community chest,. Letters have been sent to the various organizations explaining how a community chest operates. It has two chief functions: 1) it raises funds for its affiliated agencies, through the community-wide appeal, and distributes them according to a systematic budget procedure. 2) it promotes cooperative planning, coordination and administration of the community's social welfare, health and recreation services.

The council hopes to reach a decision in the near future as to whether or not to have a community chest. The opinion of all organizations in this matter will be greatly appreciated.

Forest River boy killed in Korea

Mr. and Mrs. Edmund Suhren of 128 Morrison ave., Forest River, received word May 30, that their son, Sgt. Edmund Suhren, 21, was killed in Korea. The message came by telegram from the department of defense.

Sgt. Suhren joined the army in July, 1948, while he was a student at Maine high school, Des Plaines. At one time he was employed by United Motor Coach Co.

He had never had a furlough and recently he wrote his parents that he expected to return to the United States on rotation and expected to be released from service. As a radio technician he was promoted twice since the first of the year.

Besides his parents, Sgt. Suhren is survived by a 12 year old sister, Marge. The defense department message said a letter would follow giving all details.

Congressman Church guest of honor

Congresswoman Marguerite Church was announced as the guest of honor at the observance of the 50th anniversary Monday of Benjamin Electric Co., but she shared honors with its president, Walter Steele (left), who was one of the founders of the company, making as he said, a "capitalistic investment fifty years ago of $375."

Hoyt P. Steele (right), vice-president in charge of production, son of the president, acted as master of ceremonies at the luncheon given Monday noon and the outdoor gathering which was attended by employees of the plant.

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held Thursday evening, June 28, 1951, at 8:00 o'clock Daylight Savings Time, in the municipal building, 101 West Davis Street, Arlington Heights, on a petition to rezone a parcel of land from its present classification of Residential District "A" to Industrial District. The property to be considered is legally described as follows.

The South 659.94 feet of that part of Lot "D" in Kirchhoff's Subdivision in the West Half of Section Thirty-three (33), Township Forty-two (42) North, Range Eleven (11) East of the Third Principal Meridian, described as follows: Commencing at the intersection of the Southwesterly line of Davis Street, being a line 66 feet Southwesterly of and parallel to the Southwesterly line of the right of way of the Chicago and Northwestern Railway with a line 167 feet West of and parallel to the East line of the Northwest Quarter of the Southwest Quarter and the East line of the Southwest Quarter of the Northwest Quarter of said Section 33; thence Northwesterly along said Southwesterly line of Davis Street 330.41 feet more or less to a point 250 feet Southeasterly of the intersection of said Southwesterly line of Davis Street with the West line of said Lot "D"; thence South on a line parallel with the West line of Lot "D" 957.24 feet to the South line of the North Half of the Northwest Quarter of the Southwest Quarter of said Section 33; thence East on said South line 284.30 feet to a point 167 feet West of the Southeast Corner of the North Half of the Northwest Quarter of the Southwest Quarter of said Section 33; thence North on a line parallel with the East line of the Northwest Quarter of the Southwest Quarter and the East line of the Southwest Quarter of the Northwest Quarter of said Section 33, 789.87 feet more or less to the place of beginning, in Cook County, Illinois;

The foregoing described property is commonly known as the South 659.94 feet of Lot "D" which was recently annexed to the Village of Arlington Heights, located approximately 200 feet westerly of the Sewage Disposal plant and is contiguous to property zoned in Industrial District.

All persons interested should attend and will be given an opportunity to be heard.

ZONING BOARD OF APPEALS OF THE VILLAGE OF ARLINGTON HEIGHTS,
FORREST F. DAVIS,
Secretary.

Dated June 8, 1951.

Ordinance No. 777

AN ORDINANCE AMENDING SECTION 737½ OF ARTICLE VIII OF CHAPTER 20 OF THE MUNICIPAL CODE OF ARLINGTON HEIGHTS OF 1929 AND AMENDING THE SUBURBAN BUILDING REGULATIONS FOR RESIDENCES MADE A PART OF SAID SECTION 737½ AND ADOPTED BY AN ORDINANCE PASSED BY THE PRESIDENT AND BOARD OF TRUSTEES ON NOVEMBER 7, 1949.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ARLINGTON HEIGHTS, COUNTY OF COOK AND STATE OF ILLINOIS:

SECTION 1. That Section 737½ of Article VIII of Chapter 20 of the Municipal Code of Arlington Heights of 1929, and the rules and regulations for the construction, alteration, repair and conversion of buildings for residential purposes, contained in the Suburban Building Regulations for Residences, August 1947 Edition, which rules and regulations were adopted by reference by an ordinance passed by the President and Board of Trustees of the Village of Arlington Heights on the 7th day of November, 1949 amending Article VIII of Chapter 20 of the Municipal Code of 1929, by adding to such Article VIII said Section 737½, be amended as follows:

"That the regulations and requirements for Dry Wall Finish under Paragraph D of Section 313, INTERIOR WALL AND CEILING FINISH, shall be and the same is hereby amended so that said Paragraph D shall be and read as follows:

D Dry Wall Finish.

1 Minimum thickness:

Type of wall finish	Actual Inches Stud spacing 16	20	24
Wood boards	1/2	1/2	1/2
Plywood	1/4	3/8	3/8
Gypsum board	1/2	1/2	1/2
Fiber board	1/2	3/4	3/4"

SECTION 2. This Ordinance shall be in full force and effect from and after its passage, approval and publication, and shall be known as Ordinance No. 777.

PASSED this 4th day of June, A. D. 1951.

FORREST F. DAVIS,
Village Clerk.

APPROVED this 4th day of June, A. D. 1951.

ALBERT W. GOEDKE,
President.

Library corner

Arlington Heights Public Library hours: Monday through Friday 3 to 9 p. m. Saturday 3 to 6 p. m.

More interesting teen-age books are among our recent arrivals.

Three are the new Landmark Books, for boys and girls. These books are completely authentic accounts of the great events of American history, so skillfully written and illustrated, that they are certain to stir every youngster's heart and mind. Titles of these three are "Pocahontas and Captain John Smith," "Paul Revere and the Minute Men," and "The California Gold Rush."

Another book of adventure and mystery for boys by Howard Pease is called "Night Boat and Other Tod Moran Mysteries." The author's personal acquaintance with a sea captain and his first mate gave him an opportunity to collect these colorful and dramatic tales of strange events at sea and in port.

"Lancelot Biggs: Spaceman," by Nelson Bond, is one of the new science fiction books, which are becoming very popular with young moderns.

"Hidden Pond" by Helen Girvan, will prove interesting to high school girls. It is the story of a girl from "The States" who went to live with her little known relatives in French Canada. Here she learned to ski, to cook,—and found romance and an entirely new way of life.

Another book which girls will enjoy is "The Dancing Heart" by Lucile Rosenheim. Anne lived for her dancing, which her artist-parents encouraged, because dancing was part of the world they loved in New York. Then Anne's parents were killed in an accident, and she went to live in the prim home of her Aunt Laura in a suburb of Chicago. Her aunt tried to make things very pleasant for her, but she did not sympathize with Anne's ambition to make dancing a career. How Anne learned to appreciate her new home and won her aunt's approval makes an interesting story.

Arlington Cafe open every day

Is the public more hungry in the summer time than in the winter or do more housewives say to their husbands, "Let's go out to dinner tonight."? Arlington Cafe has one answer to both.

Commencing Tuesday, June 12, the restaurant will be open seven days a week from 9:30 a.m. to 8:30 p.m. The management says there are three times to eat during the day and we are going to make all of them "deluxe."

"A moderate priced breakfast or luncheon will be as delicious to the palate as one of our seven course dinners." Chef Ladas has served a lot of meals in Arlington Heights and he ought to know the kind of food that the public enjoys eating. —adv.

Through the school doors

by LOU STAAHL

Parents of children in Kay Foster's kindergarten sections were delighted and not a little surprised at the spectacular performance of their offspring last Friday evening in the North school auditorium.

Mrs. Frank Foster did a superb job of coaching these youngsters in one of the most colorful productions they have yet presented.

THE MORNING section enacted a unique version of the "Gingerbread Boy;" the afternoon group—an equally entertaining account of the "Three Bears" based on Mrs. Foster's version of the Frank Luther arrangement of the fairy tales. Both dramatic skits were artistic achievements. The costumes, (colorful and clever, ingeniously designed from such cast-offs as old lace curtains, plastic table cloths, Christmas tinsel, crepe paper and dyed sleepers), originated with Mrs. Foster as did the dramatic action and interpretive dances.

Here parents were able to see for themselves a finished product; the result of a close and understanding pupil-teacher relationship. The children assisted in planning the entire show and actually helped make the many lovely costumes. So cleverly and smoothly did Mrs. Foster integrate the teachings of one school year into this culminating activity, that even the children were unaware that in this show, so proudly presented for their parents, was correlated their basic learnings; i. e. rhythms, value of time and numbers, choric speech, and many constructive activities for exercising their own powers of vivid imagination. More subtly displayed was what they had been taught regarding cooperative group participation and planning, self control and poise.

MRS. FOSTER is to be commended for her tireless efforts toward this fine project.

Harold Brunt added to the "theatre atmosphere" of the evening by presenting six of his band-soloists who played brilliantly prior to the show and during intermission. They were: Dean Skadberg, Fred Smith, Ashley Haas, Tom Jacobsen, Douglas Brown and Roberta Landmeier.

SPECIMEN BALLOT

Official ballot to vote on the question of issuing $250,000.00 Sewer Bonds of the Village of Arlington Heights, Cook County, Illinois, at a special election held in and for said Village on the 19th day of June, 1951.

POLLING PLACE: The Village Board Room, in the Municipal Building, located at the intersection of Wing street and Davis street, in the Village of Arlington Heights, Illinois.

QUESTION: TO ISSUE $250,000.00 SEWER BONDS

(Instructions to Voters: Place a cross (X) in the square opposite the word indicating the way you desire to vote.)

Shall bonds in the amount of $250,000 be issued by the Village of Arlington Heights, Cook County, Illinois, for the purpose of paying a part of the cost of constructing and installing extensions and improvements to the sewerage system of the Village of Arlington Heights, consisting of the construction and installation of sewerage treatment plant improvements by the constructing of grit chambers, a Parshall Flume, intercepting chamber facilities, raw sewage pumping station, primary tanks, new rock filters, final tanks, sewage pumping station, sludge control building and tunnel, sludge beds, roads and walks, miscellaneous outside piping and other necessary structures and appurtenances, rehabilitating existing plant structures and constructing a sanitary relief sewer of 24-inch and 30-inch internal diameter, including all manholes, intercepting devices and appurtenances, in Rockwell Street, from South Mitchell Avenue to South State Road, and all appurtenances incident to the foregoing improvement, dated October 1, 1951, and maturing serially $10,000.00 on January 1st of each of the years 1953 to 1959, inclusive, and $15,000.00 on January 1st of each of the years 1960 to 1971, inclusive, bearing interest at a rate not to exceed 3% per annum? Sidelights of Arlington Heights

Vacations

Joan Lathen and her roommate, Dorothy Davison of Hinsdale, left Wednesday for Seattle, San Francisco and Lake Tahoe. They will work in a hotel at Lake Tahoe during the summer months and will return in September for their sophomore year at Blackburn college. Joan will visit her brother, Bill, who is in the naval air squadron in Alameda, Calif.

Mr. and Mrs. Herbert McAuliffe and children, Jack and Mary Ann, are spending a vacation in the East.

Louis Pedersen and several other men spent last week end on a fishing trip in northern Wisconsin.

Visits parents

Calvin Page spent several days at the home of his parents, Mr. and Mrs. John Page, last week, while he attended sessions of the bacteriological convention at the Edgewater Beach hotel. Calvin received his Masters' degree at Michigan State university last June and is continuing his studies there. He was initiated into Sigma Xi, national honorary science society, May 22.

Mrs. Albert D. Hines and daughter, Taps, spent Monday and Tuesday in Arlington Hts. visiting friends. They stayed at the home of Mr. and Mrs. Edward Mills. The Hines family lived in Arlington Heights before moving to Leo, Ind., two years ago.

Entertain

Miss Lawrence, Mrs. Hanson and Miss Laura Grothe were guests in the home of Mr. and Mrs. Kouzmanoff last Wednesday night. Cards and refreshments were enjoyed.

Mr. and Mrs. Alfred Jasper entertained Mr. and Mrs. C. C. Carlson of Springfield, Mass., at dinner Monday evening.

Mrs. Louis Pedersen spent last week end in Edgebrook visiting her son and daughter-in-law, Mr. and Mrs. Alfred Pedersen, and their daughters, Donna and Susan.

Mrs. John Meyer of Chicago visited her son and daughter-in-law, Mr. and Mrs. Willard M. Meyer, this week.

Mrs. H. Runge, formerly of Arlington Heights and now of Chicago, spent last week visiting Mr and Mrs. Elmer F. Laurin.

Visit daughter

Dr. and Mrs. Norbert Leckband visited their daughter, Joanne, at Carleton college during the May Fete week end. Mrs. Nadel Hoffer accompanied them and visited her son, Carleton. Joanne will be home for summer vacation June 11.

Mrs. John D. Sullivan's sister and her husband, Mr. and Mrs. David Ashmore of California, visited her last week. This week her father, Byron Peddicord of California, is here visiting.

Mr. and Mrs. Chester Zimmerman and sons spent last week end in Watertown, Wis.

Returns home

Miss Laura Grothe was called to her home in Decatur last week due to the serious illness of her mother, Mrs. C. A. Grothe. Miss Grothe says that her mother is recovering.

Attend graduations

Mr. and Mrs. William Luehring attended the graduation of her niece, Jean Ladd, Wednesday night at Ela high school, Lake Zurich.

Mr. and Mrs. J. Fred Meyer went to Darien, Wis., Wednesday night to attend the graduation of their grandson, Ronald, from Darian high school. They were accompanied by their son and his family from Forest Park. Others attending from Arlington Heights were Mr. and Mrs. Paul Malchow and daughters, Mr. and Mrs. Oscar Meierhofer and daughters and Mrs. Edward Garms. Ronald received the award for outstanding athlete of the year. He is the son of Mr. and Mrs. Albert F. Meyer.

Mrs. Radcliffe and Miss Marian Elliott were co-hostesses at a crystal shower given in honor of Miss Renee Kaleth May 25.

Announce Engagement

Mr. and Mrs. George John Price of Arlington Heights announce the engagement of their daughter, Mary Louise, to Ted Knizewsky, son of Mr. and Mrs. T. A. Knizewsky of New York City.

The couple will be married June 16 at St. Mary's Episcopal church, Park Ridge.

Miss Price attended the University of Dubuque and Northern State Teachers college. Her fiance is a graduate of New York university. After a trip to Canada the couple will make their home on the East coast.

Mr. and Mrs. Elmer Karstens were among guests attending the celebration in the home of Mr. and Mrs. Harvey Winkelman of Delevan, Wis., in honor of their daughter Norene's graduation from Delevan high school. The Winkelmans formerly lived in Arlington Heights.

Joyce Nagel, daughter of Mr. and Mrs. Fred W. Nagel, graduated from the Illinois School for the Deaf, Jacksonville, Ill., May 30.

Receives award

Michael and Billy Moyer's dog, Kim, a german shepherd, won first prize in the second annual dog show sponsored by Stone City Kennel club at Joliet.

Birthdays

R. J. Voelker celebrated his seventh birthday this week. Eighteen of his friends helped him enjoy the day.

Hugh Harshbarger celebrated his birthday Sunday evening.

Bobby and Johnny Kopplin, twin sons of Mr. and Mrs. William E. Kopplin, celebrated their fifth birthday Sunday when their grandparents, Mr. and Mrs. William E. Kopplin, Sr. of Chicago, spent the day in Arlington. Saturday afternoon they entertained several of their friends at a birthday party.

Parties

Marjorie Bierwirth, Mt. Prospect, will give a picnic for her senior classmates at Arlington Heights high school Friday night at her home.

Lt. Kirk Gillespie, son of Mrs. Fred Rascher, was home on a three-day leave before going overseas with the Fourth Army to Germany. He returned to Fort Benning, Ga., Monday and left Fort Benning for Germany on Wedesday. Miss Toni Rogers of Macon, Ga., was a house guest at the Rascher home while Kirk was home on leave.

Woman's club receives awards at convention

Mrs. Harold Lussow of Arlington Heights Woman's club received second place award for book analysis in the literature department at the convention of the Illinois Federation of Women's clubs held at the Sherman hotel, Chicago, May 29 to 31.

Arlington Heights Woman's club also received a citation of merit award from the chairman of the motion picture department of the Illinois Federation for compiling the largest number of films suitable for family showing.

Nurses' club to demonstrate lending closet at home show

The Nurses' club of Arlington Heights will demonstrate their lending closet at the Home Show June 15 to 17 at the high school.

Members of the club want to thank Harry Knaack for providing the booth in which they will endeavor to acquaint the community with the purpose of the lending closet.

It was Walter Hanson Jr., who suggested that the organization have a booth at the show.

The club also wishes to thank the police department for their cooperation in relaying telephone numbers of current chairmen to persons desiring sickroom equipment, which is loaned out free of charge.

CIRCLING THE TOWN

BY PHYLLIS KNIGHT

This is the 50th anniversary of Vacation Bible schools in the United States, and in Arlington Heights boys and girls will be offered abundant opportunity to participate in a Bible school program.

At the Presbyterian church, for instance, Daily Vacation Bible school will begin next Monday morning at 9 a.m. Classes will be held for boys and girls from 4 to 12 years old each day from 9 to 11:30 for the following two weeks. The junior department, however, will have only one week of classes due to the Girl Scout Day camp the second week.

The Bible school at the Presbyterian church is open to all children of the community, and no pre-registration is required. Children may register at the first session Monday. While there is no fee, a free will offering will be taken daily.

The Vacation Bible school at St. John Evangelical and Reformed church will be run along similar lines. It will meet at the same hour for the same two weeks. It, too, is open to all children of the Arlington vicinity. A display of the results of the two weeks work and a closing service will be held at this school June 22 at 7:45 p.m.

At Faith Evangelical Lutheran church, in addition to emphasizing Christian training, the Bible school will feature extensive handicraft work, including leathercraft and weaving. Several instructors, Mrs. E. H. Behrens, Mrs. Dorothy Weise, Mrs. Frank Leth and Mrs. Ada Koch, have received training in the work and will pass on their knowledge to the youngsters.

Also open to all children, Faith Bible school will meet the same two weeks but will include children up to age 14. Pre-registration—the fee is 50 cents—is being held Friday afternoon from 1 to 3, but children may still enroll on Monday morning.

June Doings

Commencement festivities are occupying the minds and time of close to 350 boys and girls of the Arlington Heights schools this week. The first actual graduation ceremonies took place last night at the high school when the 100 eighth graders of the Junior High school received their diplomas from Robert R. Lockwood, president of the Board of Education.

On Monday night these same young people were entertained at a dinner-dance in the school cafeteria.

The 184 graduates of AHTHS will receive their diplomas at ceremonies on the high school athletic field tonight, Thursday. The student program will include music and talks by class president, Ronald Baumann and Marilyn Franke, Donna Mills, Thomas Rowader and Elaine Skadberg.

Graduation week began Sunday evening for the high school seniors when the annual baccalaureate service was held in the gymnasium. Rev. B. T. Anderson of the Mt. Prospect Lutheran church was the speaker.

Prof. H. H. Gross of Concordia Teachers college in River Forest will speak to graduates of St. Peter Lutheran school Friday evening at 8 p.m. The festivities will be held at South school.

St. James Catholic school graduates will receive their diplomas Sunday morning at a special service when Rev. George Stier, pastor, will offer the Holy Sacrifice of the Mass. Afterwards the seventh graders will be hosts to the graduates at breakfast.

People are talking about . . .

The support given the four propositions offered voters in School District 25 last Saturday—the options to change the tax rate, transfer to the schools part of the park site in Arlington Ridge, and to build and issue bonds for the new school on the southeast side of town.

Lead Pencils

Because it is traditional for lead pencil wood to be red and smell like cedar, other woods which perform equally as well such as alder or the sapwood of cedar are often stained red and scented with cedar oil.

Tag Day Luncheon

Taggers for the Lutheran Home and Service for the Aged in Arlington Heights were entertained at a 1 p. m. luncheon at the Home May 24. More than 175 women who had helped on Tag Day May 8, attended the luncheon.

Tag Day is sponsored each spring by the Chicago Federation of Aged and Adult charities and is one of the five recognized Tag Days in Chicago and vicinity.

Mrs. Edward Abel, Tag Day chairman for the Lutheran Home and Service for the Aged, presided over the business meeting. After introducing her committee members, Mrs. Abel presented Rev. J. M. Kempf, executive secretary for the Home, with a check for $4,358.18 representing the proceeds from boxes for the Lutheran Home on Tag Day. This money will be applied on the Home's maintenance fund.

Newcomers' card party

A special event on the calendar of the Newcomers club of Arlington Heights will be the luncheon and card party next Wednesday at Itasca Country club. Guests are invited to attend, and tickets are $2 per person.

Reservations may be made with Mrs. Sigmund Hollinger at Arlington Heights 3077-J by Friday of this week.

Beverly Grant, Warren Stevens take vows

Community Camera

Baskets of white roses, gladioli and snapdragons with candelabra on each side of the altar formed the setting for the wedding May 23 of Miss Beverly Denise Grant, daughter of Mr. and Mrs. Leslie R. Grant, 211 N. Haddow ave., Arlington Heights, and Pvt. Warren L. Stevens, son of Mr. and Mrs. Charles L. Stevens, 809 Ioka ave., Mt. Prospect.

Rev. George J. Ossentjuk of Christ Presbyterian church, Chicago, officiated at the 8 p. m. ceremony held at Bethany Presbyterian church, 1857 Humboldt blvd., Chicago.

"Because" and "The Lord's Prayer" were sung by James Cameron, who was accompanied by Mr. Williams at the organ.

The bride wore a colonial style gown of white organdy fashioned with a sweetheart neckline, cap sleeves and a fitted bodice of eyelet organdy which came to a point at the waist. Her gown featured a side drape of eyelet on the skirt with a cascade of organdy ruffles on the opposite side and two white organdy ruffles around the bottom of the hoop skirt. Her nylon illusion fingertip veil was held in place by a half-bonnet headpiece of eyelet organdy and pearls. The bride carried a colonial bouquet of white roses and lilies-of-the-valley.

Dolores Grant, sister of the bride, was maid of honor. Loraine Mensching of Arlington Heights was the bridesmaid.

The maid of honor wore a pink eyelet organdy gown fashioned with a fitted bodice and a short bolero jacket. She wore matching gloves and carried a colonial bouquet of orchid colored carnations. The bridesmaid wore an orchid gown fashioned in the same manner as the maid of honor's. She carried a colonial bouquet of pink carnations. Both attendants wore matching flowers in their hair.

Charles Stevens, brother of the groom, was best man. Donald Lockow of Chicago, Roger Stevens, brother of the groom, of Chicago, and Ronald Kalseim, cousin of the bride of Highland Park, were ushers.

A reception for 350 guests was held in Bethany church parlors immediately following the ceremony.

After a two week honeymoon in Starved Rock, Ill., Warren will take 12 weeks of topography schooling at Ft. Belvoir, Va. Beverly will joint her husband in Virginia as soon as possible.

Warren is with the 6th Armored Division and just completed training in engineer combat skills at Ft. Leonard Wood, Mo.

Stork feathers

A son, Donald James, was born to Mr. and Mrs. Richard Wilke of Arlington Heights June 4, at the Women's and Children's hospital, Chicago. He has a brother, Kenneth, 4. Grandparents are Mrs. William Wilke and Mr. and Mrs. Herman Koenig, both of Arlington Heights.

Mr. and Mrs. Donald Vogel of Forest Park Trailer camp, Park Ridge, are the parents of a son, Donald Charles Jr., born May 27, at St. Joseph's hospital, Elgin. The baby weighed 7 pounds 8 ounces. He has a sister, Gail Anne. Grandparents are Mr. and Mrs. E. Rosenow of Chicago and Mr. and Mrs. Julius Vogel, Arlington Heights.

A son, Jeffrey, was born to Mr. and Mrs. John F. Kreiner, Arlington Heights, June 2, at St. Francis hospital, Evanston, weighing 8 pounds. Grandparents are Mr. John Dierbeck and Mrs. L. Kreiner.

Mr. and Mrs. George Landis, Arlington Heights, are parents of a son, Robert George, born June 1, at Northwestern hospital, Des Plaines, weighing 7 pounds 8 ounces. Grandparents are Mr. and Mrs. Ferdinand Samulovitsch of Arlington Hts. and Mr. and Mrs. Landis of Palatine.

Mr. and Mrs. Elmer Kirchhoff, Arlington Heights, are parents of a daughter, Lynn Ann, born May 30, at St. Joseph's hospital, Elgin. The baby weighed 6 pounds 13 ounces. Her mother is the former Ruth Studtmann.

Mr. and Mrs. Harvey Bartholomew, Arlington Heights, announce the birth of their son, Wayne Louis, May 29, at Sherman hospital, Elgin. The baby weighed 7 pounds 5 ounces, and he has a brother, Ian. Grandparents are Mr. and Mrs. James Stewart of Scotland, B. I., and Mr. and Mrs. Louis Bartholomew, Arlington Heights.

Mr. and Mrs. August Stelling, Arlington Heights, are parents of a son, William Ellis, born May 19, at St. Joseph's hospital, Elgin, weighing 8 pounds. The baby has two sisters, Lenore and Karla. Grandparents are Mr. and Mrs. William Neetz and William Stelling, both of Palatine.

Anne Elizabeth Craig, William Wilcox are wed

In a double ring ceremony held June 2, Miss Anne Elizabeth Craig, daughter of Mrs. Robert B. Craig, 25 N. Elmwood ave., Palatine, became the bride of William Vance Willcox, son of Mr. and Mrs. Donald F. Willcox, 309 Myrtle ave., Elmhurst.

Rev. Floyd E. Gephart officiated at the ceremony held at 2 p.m. in the home of the bride's mother.

The bride wore a gown of lace over satin fashioned with a Peter Pan collar, fitted bodice and long pointed lace sleeves. The skirt was net over satin. A juliet cap studded with seed pearls held her fingertip veil in place. She carried a cluster of white carnations surrounded by stephanotis.

Mrs. Dale Willcox of Elmhurst was matron of honor. Miss Vera Krezan of Palatine was bridesmaid.

The matron of honor wore an aqua marquisette gown and the bridesmaid wore a yellow marquisette gown. Both carried cluster bouquets of yellow carnations and purple larkspur and wore yellow carnations in their hair.

Dale F. Willcox, brother of the groom, was best man. Richard L. Craig, brother of the bride, was usher.

Robert Craig, brother of the bride, gave her in marriage.

The bride's mother wore a beige lace dress and the groom's mother wore a grey dress with pink accessories. Both wore corsages of green cimbedriem orchids.

A reception was held immediately following the ceremony for 50 guests.

Friends and relatives from Allentown, Pa.; Des Moines, Ia.; Terre Haute, Ind.; Highland Park, Maywood, Mt. Prospect and Barrington attended the wedding.

The couple took a two week wedding trip to Williamsburg, Va., and Allentown, Pa. When they return, they will live at the Roake apartments in Barrington countryside.

The groom is an accountant at Crane co. in Chicago, and the bride is a secretary for the same firm.

Community Camera

Village Theater holds farewell party

Members of the Village Theatre, inc., of Arlington Heights, held a farewell party Friday night for one of their active members, David Breitsprecher, who has left to enter military service.

The party took place at the home of Mr. and Mrs. Robert Hawley and was a weather-inspired indoor picnic.

More than 20 members attended.

Promotion day at Presbyterian church

One Sunday in the year which many of the young people of Arlington Heights Presbyterian church look forward to and which the congregation has learned to appreciate is Promotion day, which will take place next Sunday, June 10.

In this service the young people will be promoted to the next department.

I'd have lost $612 ...if I had MY way!

(Based on an actual Hartford claim)
That was the admission of a Hartford policyholder who had thought Auto Collision Insurance a needless expense. Luckily his Hartford agent convinced him otherwise for just two hours after buying coverage he had a smash-up. His Hartford policy paid $612 for repairs!

It's easy to run up a big auto repair bill these days. And it's good sense to protect yourself against accident costs with Hartford Collision Insurance. Let us explain this coverage to you and quote its cost for your car.

No Better Bargain Than A Want Ad For $1

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make *your* dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflow Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find *more* room—*more* comfort—*more* luxury—a *smoother* ride—*more* conveniences—*more* thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

Sophie Figlewiz bride of John Nick May 5

Jenart photo

Miss Sophie Figlewiz, daughter of Lewis Figlewiz of Downers Grove, became the bride of John Nick, son of Mrs. Eva Nick of Wheeling, May 5 at St. James church, Arlington Heights, at 9:30 a. m.

Rev. Richard Rosemeyer officiated at the nuptial high mass.

The bride wore a gown of white lace and satin with a fingertip veil.

Mrs. Rose Coryell, the groom's sister, was matron of honor. She wore a blue lace and net gown over taffeta.

Raymond Nick, brother of the groom, was best man.

The couple took a wedding trip to Buffalo, N. Y., to spend a few days with the bride's brother and sister-in-law.

At present they are living with the groom's mother, but they will soon be living in their own home on Lake ave., Wheeling.

Vacation church school to begin June 11

The Vacation church school of Arlington Heights Presbyterian church will occupy profitably the leisure time of children from 4 to 12 years of age. This includes those who have just graduated from sixth grade. It provides Bible teaching, interesting handwork and wholesome recreation.

The departments are: kindergarten, under the supervision of Mrs. E. F. Thompson; primary, under the supervision of Mrs. Charles Stewart; and junior (first week only) under the supervision of Mrs. A. D. Anderson.

Vacation church school will be held from June 11 through June 22, Monday through Friday, from 9 to 11:30 a.m.

No advance registration is necessary. Anyone who is interested may bring their child, or children, at 9 o'clock in the morning June 11.

St. John's to hold annual picnic June 10

St. John's Evangelical and Reformed church of Arlington Hts., will hold their annual congregational picnic June 10, at Scharringhausen Grove.

The picnic will begin at noon, and the snapshot contest will be held again this year. The rules will be the same as last year's.

See church notes for further information.

Virginia Wright wed in New York

Mr. and Mrs. Hal C. Wright, 755 S. Belmont lane, Arlington Heights, announce the marriage of their daughter, Virginia, to Robert W. Drew of New York City May 26.

The marriage was solemnized at the Judson Memorial church in Washington Square, N. Y., at 4 p. m.

The couple are making their home at 114 East 62nd st., New York City, N. Y.

Announce Engagement

Mr. and Mrs. Alfred Dittrich of Des Plaines, formerly of Arlington Heights, announce the engagement of their daughter, Mary Margaret, to Captain Robert J. Gasser, United States Air Force, son of Mr. and Mrs. Joseph Gasser of Chicago.

Captain Gasser has recently been recalled to active duty and is assigned to Griffiss Air base, Rome, New York.

No date has been set for the wedding.

(AC

Open house to mark golden wedding anniversary

Community Camera

Mr. and Mrs. August P. Duderstadt, formerly of Chicago, will celebrate their fiftieth wedding anniversary with an open house for relatives and friends June 10 at the Des Plaines House. The couple spent much of their time with their son, Peery A. Duderstadt of Arlington Heights.

Mr. Duderstadt, 80, retired recently after having operated a photographic studio on Chicago's north side for 50 years.

They have two children, a son, Peery A. Duderstadt of Arlington Heights, and a daughter, Mrs. Arthur A. Widtmann of White Fish Bay, Milwaukee, Wis., and three grandchildren.

The actual wedding anniversary, June 12, will be celebrated in Milwaukee by the immediate family and a member of the original bridal party, Mrs. R. B. Starks.

St. Mary's Guild features book review

The homemaking trials and tribulations of a girl who failed to inherit her mother's ability to do everything and anything around the house will be presented by Mrs. Laurene Hoppe, well known book reviewer of Saugan-ash, June 12 at 2 p. m. at the Inverness Four Silos for members of St. Mary's guild of St. Philip's Episcopal church, Palatine, and their friends.

Advance reports indicate that Mrs. Hoppe's review of the book, "It's Not What I Expected" by Val Teal, will set a new high in the entertainment offered by the group to women of the Palatine area.

Mrs. Hoppe has been reviewing books for several years on the North Shore and the Northwest side and has recently conducted a series in Mt. Prospect.

Mrs. Teal's book is an amusing account of her own life in the suburbs and the difficulties she encounters in raising her four children.

Mrs. Harry Brown of Inverness is in charge of the party. As an added feature the guild will have a bake sale of the kitchen specialties of guild members. Miss Jean Inglis will be in charge of the bake sale.

Refreshments will be served following the book review. Tickets are $1.25 and can be obtained from any of the guild members or at the door.

St. James Mother's club holds annual luncheon

The annual luncheon of the Mother's club of St. James Catholic Women's Guild, Arlington Heights, was held at Itasca Country club May 31.

The luncheon honored the eighth grade mothers of the St. James school. Carnation corsages were presented to these mothers. Installation of new officers also took place.

Celebrate anniversary

Mr. and Mrs. Howard Elliott, 548 S. Evergreen, Arlington Hts., will celebrate their twentieth wedding anniversary Saturday night at an open house at their home.

Velma Coleman, Joseph Grandt wed

Miss Velma Lucille Coleman, 2220 Ewing ave., Evanston, daughter of Mrs. Clarence McBride Coleman, Saltsburg, Pa., became the bride of Joseph Frederick Grandt, son of Mr. and Mrs. Frederick D. Grandt, Wheeling, May 26.

Rev. F. C. Giese officiated at the ceremony which was held at 3 p. m. at Messiah Evangelical Lutheran church, Chicago. Mr. Eckert was the organist.

The bride wore a white satin gown fashioned with a pearl neckline. Her lace veil was trimmed with satin, and she carried a bouquet of white roses with an orchid center.

Lor Jean Grandt, sister of the groom, was maid of honor. She wore a gown fashioned with a blue lace bodice and net skirt and carried a bouquet of red roses and lilies of the valley.

Bronson Gridley, the bride's brother-in-law, gave her in marriage.

Walter Bartoski was best man Joseph Gorski and William Merrill were ushers.

A reception was held at the home of the groom's parents at 8 p. m.

After a wedding trip to Kentucky and Pennsylvania, the couple will make their home with the groom's parents in Wheeling.

NOTICE TO FUEL OIL USERS

PRICE PROTECTION POLICY

As an additional service to our customers using Sinclair Superflame Fuel Oil for Domestic heating purposes, we offer the following price protection on fill up deliveries of fuel oil during June, July and August.

Should there be a decline in the price used in such billings before the close of business August 31, 1951, a credit memorandum or check will be promptly issued to you for the amount of any such price decline.

We strongly urge our customers, where possible, to take advantage of this opportunity in the near future and avoid possible inconvenience and delay due to the usual rush for oil deliveries the first cold spell in the Fall.

Beverly Joanne Simmons, Warren Yemm are wed

Community Carners

In a double-ring ceremony held May 26, Miss Beverly Joanne Simmons, daughter of Mr. and Mrs. Ernest Wilson Simmons, 514 S. Beverly Lane, Arlington Heights, became the bride of Warren Yemm of Chicago, son of Mr. and Mrs. John Henry Yemm, Indianapolis, Ind.

The wedding took place at 2 p. m. at the home of the bride's parents. Rev. Milo Vondracek officiated.

For her wedding the bride wore a white suit with an orchid corsage.

Mrs. Frank Hall was matron of honor.

Clyde Butler was best man.

Following the ceremony a dinner for 23 guests was held at Radio Club Farm, Palatine.

The newlyweds flew to Jacksonville, Fla., where they will make their home.

Georgia Long bride of William Lasley

An altar banked with candelabras, ferns and baskets of spring flowers, formed the setting for the marriage June 2, of Georgia M. Long, daughter of Dr. and Mrs. G. F. Long, 810 Main st., Stockton, Kan., to S. William Lasley, son of Mr and Mrs. Sidney C Lasley, 621 Bristol lane, Arlington Heights.

Cannon Watts officiated at the ceremony held at 4 p. m. in St. Martin's chapel, Denver, Colo.

The bride wore an heirloom opalescent satin gown trimmed with satin rose buds. Her three-quarter length veil of French illusion tulle was held in place by a rose bud trimmed bonnet. The bride carried a cascade bouquet of pink throated pale brown orchids surrounded by pale yellow carnations and ivy streamers.

Mrs. Virginia Lee Hitch, sister of the bride, was matron of honor, and Miss Jean VanHorn was maid of honor.

The maid and matron of honor wore matching ankle length gowns of white organdy over pale green taffeta and carried shower bouquets of yellow daisies surrounding white carnations with ivy streamers. Their headpieces were of yellow and white daisies.

Miss Barbara Dempster, sister of the groom, and Carol Long, sister of the bride, were bridesmaids.

The bridesmaids wore ankle length gowns of white organdy over pale yellow taffeta. Their headpieces were of yellow daisies and they carried shower bouquets of yellow daisies with ivy streamers.

Pamela Dempster, the bride's niece, was flower girl. She wore a white organdy ankle length gown over pale green taffeta. She had a daisy headpiece and carried a nosegay of carnations and daisies.

Wayne Fugate was best man Pat Murphy, Don Dawson and Bob Jones were ushers.

A reception for 50 guests was held at the Olin hotel, Denver, at 6 p. m.

The couple will live in Boulder, Colo., until August when the groom will graduate from the University of Colorado. After his graduation they will take a wedding trip to Yellowstone National Park in Minnesota before returning to Chicago.

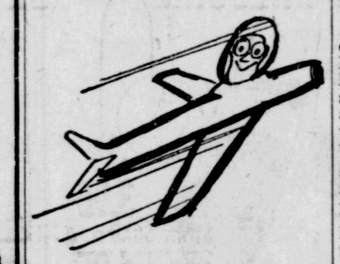

Mr. and Mrs. S. C. Lasley gave a prenuptial buffet supper June 1, at 8:30 p m. in the parlor of their suite at the Brown Palace hotel for 25 guests

Out-of-town guests included relatives and friends from New York, Minneapolis, Kansas and Ohio.

Vocal and instrumental music will be a feature of the festival. Refreshments and fancy goods will be offered for sale. The innovation of an honor roll last year will again be given a prominent spot on the program.

Favorites for flavor

by MARILYN McLENNAN

"Favorite recipes—yes, I have several and will be glad to share them with you," was the friendly reply of Mrs. Clyde Jones when asked to be today's recipe contributor.

Mrs. Jones, an active homemaker and employee at Hagenbring's store in Arlington Hts., lives at 124 S. State rd. She enjoys cooking and finds time for entertaining in her busy life.

Two of her favorites are date torte and pineapple salad. Date torte, generously studded with chopped walnuts and crowned with whipped cream, is a delicious dessert for any occasion.

Pineapple chunks, marshmallow cubes and shredded American cheese make up the pineapple salad. These ingredients are folded into a pineapple flavored boiled dressing, chilled and popped into a crisp lettuce cup. Simple and tasty, this salad is refreshing and tempting any season of the year. Try it some warm summer day to perk up lagging appetites.

Date Torte

1 cup chopped dates
1 cup boiling water
1 teaspoon baking soda
2 tablespoons butter
1 cup sugar
2 eggs, well beaten
2 teaspoons vanilla
1 1/3 cup flour
1 teaspoon baking powder
2 cups chopped walnuts

Combine dates, water, baking soda and butter. Cool. Beat sugar into eggs; add vanilla and stir into date mixture. Add flour, baking powder, and nuts mixing well. Pour into a wax paper lined pan approximately 8x14 in. Bake in a 350 degree oven 35 to 40 minutes. Cool and serve with whipped cream.

Pineapple Salad

½ lb grated American cheese
1 can sliced pineapple
2 small boxes marshmallows (16-20)

Dressing

½ cup sugar
2 tablespoons flour
1 egg
Pineapple juice
Salt

Cut pineapple and marshmallows into small cubes. Shred cheese. To make the dressing mix the sugar, flour and salt. Add egg and a small amount of pineapple juice. Mix until smooth. Then add more pineapple juice, enough to make one cup of salad dressing. Boil dressing and allow to cool before pouring over cheese, pineapple and marshmallows. Serve on a lettuce leaf. One teapsoon of lemon juice may be added to dressing if too sweet for taste.

NEWCOMERS AT HOME

Mr. and Mrs. W. C. Miller
734 S. Highland

The Millers are the new owners of the red brick cape cod home, formerly occupied by the Gaylord Hanson family. Looking for a house in the Northwest suburbs had been a task of this family for some time, and they are happy with their new home in Arlington Heights.

Former residents of the Northwest side of Chicago—he is originally from Bensenville — the Millers both work in the city. Mr. Miller is an accountant with Harry H. Redfearn Co., Inc., butter and egg brokers, and Mrs. Miller is in the export department of Wilson Bros. She is a Spanish secretary, having studied the language at North Park college, Northwestern and at a summer session at the University of Havana.

Golfing is a hobby the Millers share and expect to practice this summer.

Mr. and Mrs. J. Maltman
615 S. Pine

Their children pretty much occupy all the time in the home of Mr. and Mrs. J. Maltman, former Chicagoans now happily settled in Scarsdale. Mrs. Maltman, the former Marie Miller of Palatine, was already familiar with the Northwest suburbs, and she and her husband purchased a lot here sometime back and had their home built.

Their children are Taya, 19 months, and Eliazbeth, four months. Mr. Maltman is the president of the Aetna State bank in Chicago.

Presbyterian church to hold ice cream social

The First Presbyterian church of Arlington Heights will sponsor an ice cream social June 14 from 2 to 5 p. m. and from 6 to 9 p. m. in the yard of the home of Mrs. John Heintz, 518 S. Vail, Arlington Heights.

The feature of the social will be a running puppet show given by Girl Scout troop 21 under the direction of Mrs. Frank W. Menzel and Mrs. William R. Bierdeman.

Proceeds derived from this benefit will go into the building fund.

In addition to all kinds of ice cream and sundaes, punch, home-made cake and coffee will be served.

Handmade articles will also be on sale at this time.

Members of the committee in charge include: Mrs. Kenneth Gregory, Mrs. Jack Hosford, Mrs. Melvin Kurtz, Mrs. John Heintz, Mrs. William Frasier, Mrs. James Webster, Mrs. Harold Peter and Mrs. T. L. Archibald.

In case of rain the social will be held the following day in the same place.

St. Mary's Altar and Rosary society pilgrimage

More than 200 women of St. Mary's Altar and Rosary society of Des Plaines participated in the Holy Year pilgrimage to the four churches designated by Father Bird. They were escorted by their moderator Father Maginot to St. Paul of the Cross church, Park Ridge; St. Juliana church, Edison Park; Holy Name cathedral, Chicago, and St. Mary's church, Des Plaines.

The June 3 open meeting of the society was the last one of the season. New officers elected and installed were: Mrs. John H. Bond, president; Mrs. Howard Robbins, vice-president; Lorraine Paroubek, corresponding secretary; Mrs. Jane Wartenberg, treasurer, and Mrs. Paul Harris; recording secretary.

Father Bird thanked the officers of last year for their cooperation. Mrs. Joseph Remsing, former president, was presented with a gift by the society.

Government on lookout for barberry

Men employed by the Department of Agriculture will make an inspection of the shrubbery plantings of Palatine and Arlington Heights within the next few weeks.

The common barberry bush, a breeding place for stem rust of grains, is the object of their search. For years it has been known that the stem rust disease develops in the spring on the barberry leaves and then is blown by the wind where it may infect grain fields. Once started in the grain fields, the disease increases rapidly and spreads to other fields. Oats, wheat, barley, and rye are especially susceptible to damage by stem rust.

The barberry inspectors will work in a crew of five men each so they can examine all the plantings between two streets at one time as they proceed. Property owners will be informed of any of the harmful bushes on their premises. The inspectors will be equipped to dispose of any common barberries without cost to the property owners. Many plantings have been found and destroyed in the rural regions recently.

The Japanese barberry, popularly used as an ornamental shrub, does not carry rust and is safe to use wherever desired.

Public school to hold remedial classes

Students who need special instruction in reading, arithmetic, and spelling, will have a chance to attend a remedial summer school, to be held for four weeks beginning June 18, at the South school, Arlington Heights.

This program will have no bearing upon retention or promotion, and in no case will a child's promotion depend upon his enrolling in the program. In general, retention is not recommended for children whose scholastic deficiencies can be corrected by a four-week period of instruction. However, teachers' recommendations regarding the advisability of a pupil's participating in the program should be of value to parents.

EACH CLASS will meet one hour daily for instruction and all classes will be held during the morning. A fee of $20 for the four-week period will be paid, in advance, for each subject for which a child is enrolled. Since the program will not be participated in by all students and since it is not included in the regular budget of the school system, it is necessary to make this charge.

Registration will be conducted June 8, from 1 to 3:30 p.m. and June 11, from 9 a.m. to 3:30 p.m, at the Junior high school. Miss Martha Sapp, guidance director, who will have the general direction of this program, will handle the registrations. The week of June 11 will be used for testing and classifying the pupils enrolled, so that instruction may begin promptly June 18.

Offer band classes

The public schools are also offering a summer music program providing for six weeks of training and participating in music activities. These classes will be taught by Harold Brunt, music instructor of the local schools, and will be held in the auditorium of the North school.

Students may register for this program today, Thursday, from 1 to 3:30 p. m., and Friday, from 9 to 11:30 a. m., in the auditorium of the North school. Classes will begin the week of June 25.

THERE WILL be a $6 charge for this course which is open to all students now receiving instrumental instruction and any other child who wishes to take up a band instrument, including children who will be in fourth grade next year.

The instruction will probably include one or two band rehearsals weekly, one sectional band rehearsal weekly, meeting with a small ensemble once or more weekly, and individual or small group instruction.

Faith church to hold vacation Bible school

Vacation Bible school will be held for the children of Arlington Heights at Faith Lutheran church, 431 S. State rd., Arlington Heights, Monday through Friday, June 11 to 22.

The sessions will begin at 9 o'clock each morning and will close at 11:30. Experienced leaders will conduct the daily Bible lessons and help the children in interesting handicraft activities.

Since this is a vacation school, play-ground games, color sound films and action songs will be included in the program. Registrations will be received June 8. from 1 to 3 p. m. at the church.

A fee of 50 cents will cover the cost of the workbook and a part of the materials for projects. All children between the ages of 4 to 14 years are welcome. Additional information can be obtained by calling the director of the school, Rev. Edgar H. Behrens, at Arlington Heights 3402.

Cow Stalls

Improper stabling and lack of good bedding are the most common causes of teat injuries in cows. Stalls should be wide enough and long enough for the cow to lie down and get up without bruising or otherwise injuring the teats and udder.

Northwest Heighters Activities

New neighbors

Mr. and Mrs. Charles Cronin and their two children moved into their new ranch home at 1521 Oakton in April. They had previously lived in Oak Park. Patty is 4 years old and is looking forward to kindergarten. Her hobbies are coloring and television. She has several favorite programs. "Little 2 year old Jimmy is just interested in playing," stated Mrs. Cronin. Mr. Cronin is secretary-treasurer of the Gerbing mfg. company in Northbrook. His hobby is golfing whenever he finds the time. Mrs. Cronin's main interest is her family, but she likes to refinish furniture and is now planning a winter project to refinish some of her good maple pieces. Our new neighbors enjoy the friendly atmosphere of the community.

Birthday celebration

Two year old Valerie Fisher, daughter of Mr. and Mrs. William Fisher, was hostess at a birthday party Wednesday for several of her little friends. Those who attended were: Janet Fauer, Thoma Gooding, Bobby Ross, Freddie Postle and Valerie's sister, Judy. Yellow was the predominant color carried out in the decorations. Refreshments of ice cream and cake were served.

Wedding shower

Mrs. Vincent Cunningham was hostess at a surprise wedding shower given in honor of Mrs. Cunningham's sister, Miss Virginia Hallis, Sunday afternoon. The affair was held at Gompers Park field house in Chicago. Thirty-four guests attended.

Guests

Miss Ethel Anderson and Robert Alexander were dinner guests of the Frederick Weber family Saturday evening.

The Joe Fortino family of Chicago were Sunday visitors of Mr. and Mrs. Frank Fortino.

Last Monday Mr. and Mrs. Clarence Lindahl of Iron River, Mich., visited the Howard Nelsons. They left Tuesday for Arizona. Mrs. Lindahl is Mrs. Nelson's sister.

The Robert Balfours entertained Mr. and Mrs. S. Molinaro and family of Chicago Friday evening for dinner.

Moved

The L. B. Hendricks moved from Sherwood to their farm near Bartlett Thursday. A subdivision party will be held June 30 for the Hendricks and newcomers of Sherwood. David Coffman and Arthur Fellingham are chairman and co-chairman, respectively, of the entertainment committee.

Graduations

Mr. and Mrs. E. B. Munson and daughter, Louise, of Memphis, Tenn., will be guests of the Milton Malone's from Tuesday until Saturday. The Munsons are former residents of this community and are here to attend their son, Eddie's, graduation from Arlington High Thursday evening.

Mr. and Mrs. Herbert Aurnhammer and daughter, Vivian, attended a pot luck supper Monday evening held at St. Peter Lutheran school for the graduating class and their parents. A play was given afterwards by some of the students.

The C. P. Cushways and the E. J. Rehfeldts of Chicago will be dinner guests of Mr. and Mrs. Charles Rehfeldt Friday evening. The occasion is their daughter, Charlene's, graduation from St. Peter Lutheran school that evening.

The David Kenyons spent Saturday evening visiting friends in Beverly Hills.

Don Hayward of Fairborn, O., was a luncheon guest of the Richard Yelton family.

Grade, high school pupils Lions' guests

Youth night was the theme of the meeting this week of the Arlington Heights Lions club when the club entertained students of public and parochial schools. A boy and a girl from each class from the 7th grade through high school were the honor guests.

Entertainment of singing and dancing by two charming young ladies brought rounds of applause and numerous encores. Fine talent was displayed by Stacia and Marie Ryan of Niles, who aspire to become opera singers. They sang selections in English, Spanish and Polish, and did several native dances.

THE STUDENTS were: Kay Whitelaw, secretary of the student council, and Roger Boeger, member of student council (7th, public); Doris Rudolph, scholastic leader, and Joel Pollard, school spirit (7th, St. Peters); Richard Froemgen and Lauralee Huebner, general conduct and spirit (7th, St. James.)

Barbara Coffman, editor of the school newspaper, and Ted Simroe, president of student council (8th, public); Carol Lange, citizenship and spirit, and Donald Hinrichs, scholastic leader (8th, St. Peters); Penny O'Connell and Louis Ray, outstanding students (8th, St. James.)

Darlene Long, freshman representative to girls club, G. A. A., Latin club, biology club; and Dick Winterbauer, hall monitor, football, basketball and track, from the high school freshman class; Nita Glow, member of student senate, paint and wig club, pep club and student guide; and Dick McAuliffe, member of the band, Latin club, basketball, football and track, from the sophomore class; Julie Hinds, treasurer of National Honor Society, assistant drum majorette, first place winner in State twirling, junior class board member; and Ronald Grace, student senate member, football, basketball and baseball, from the junior class; Marilyn Franke, National Honor Society, National Thespian Society, secretary of student senate, G. A. A.; and Bob Evans, National Honor Society, "A" club president, co-captain of basketball, and in all kinds of athletics from the senior class.

It was announced that Ronald Taggart, a junior, had been selected to attend the Boys' State under the sponsorship of the Lions club. Ronald is a member of the "A" club, takes part in track and cross country, and is the winner of the algebra contest.

FRIDAY NIGHT IS FAMILY NIGHT AT NATIONAL OPEN 'TIL 9 P.M. BRING THE WHOLE FAMILY

OBITUARIES

Mary Katz

Funeral services were held today, Thursday, for Mrs. Mary Katz, 71, late of 401 N. Main st., Mt. Prospect, at St. Paul Evangelical Lutheran church at 2 p.m. Rev. J. E. A. Mueller officiated. Interment St. John cemetery, Northfield. Black's Memorial home was in charge of arrangements.

Mrs. Katz, nee Gerken, was married to John C. Katz June 30, 1901, at St. Peter Lutheran church in Arlington Heights. They made their home in the vicinity of Mt. Prospect, and for the last 25 years Mrs. Katz had lived at her present address. Her husband, John, and a son, Elmer, preceded her in death. She died June 5, at Mercy hospital in Chicago.

Survivors include: seven children, Mrs. Clara Brif, John W., Mrs. Mae Dryer, Edwin, Mrs. Luella Schroeder, Alfred M., and Mrs. Lorna Walsh; two brothers, Frank Gerken and Charles Gerken and eight grandchildren.

Eugene J. Dresmal

Funeral services were held Saturday for Eugene J. Dresmal, 48, late of 534 S. Vail ave., Arlington Heights, at St. James church. Rev. Richard Rosemeyer officiated. Interment All Saints cemetery. Black's Memorial home was in charge of arrangements.

Mr. Dresmal was born May 30, 1903, in Chicago. He died May 30, at Passavant Memorial hospital.

Mr. Dresmal was chief of the cashier division of the Jewel Tea co. and recently celebrated his twenty-fifth year of service with them. He was active in Cub Scout work. He married Grace McClurg August 15, 1936, in Cleveland, Ohio.

Survivors include: his wife, Grace; three children, Arlene, James and Nancy; his mother, Mary; a sister, Mrs. Aurelia Wacholz, and one brother, Edwin.

Sandra Meier

Funeral services were held May 25 for Sandra Sue Meier, infant daughter of Mr. and Mrs. Erwin Meier of Foundry rd., Mt. Prospect, at Black's Memorial Home. Rev. L. V. Stephan officiated. Interment Memory Gardens.

Sandra Sue was born April 7, 1951, and died May 23 at St. Francis hospital, Evanston.

Surviving besides her parents are a sister, Linda Lee, and her grandparents, Mr. and Mrs. Herman H. Meier and Mrs. Edward W. Garms, all of Arlington Hts.

Lois Madora Toplin

Funeral services were held Friday for Mrs. Lois Madora Toplin, 88, of Arlington Heights, at Lauterburg and Oehler funeral chapel at 8 p. m. Rev. Brown officiated. Interment was in Oakwood cemetery, New York, June 4.

Mrs. Toplin was born July 30, 1862, in Graston, N. Y. She died May 31, at Arlington Heights Rest Home where she had lived for three years. Her husband, John preceded her in death.

A nephew, Marshall F. Hakes, Arlington Heights, survives hr.

George F. Voss, Palatine mayor, dies

George F. Voss, 68, mayor of the village of Palatine, died suddenly Thursday evening, May 31, at his home, 103 S. Plum Grove ave. He had been in ill health for some time, but was determined to complete his mayoralty term and continue in his work with the National Lead Co., where he had spent 36 years, advancing to sales manager of the paint department.

As he was preparing to enjoy an evening of television he quietly passed away. He had been hospitalized twice in the last two years.

The funeral service, held in St. Paul church, Monday afternoon, was largely attended. Following services by Rev. Gumm, Palatine Lodge No. 314 A.F.& A.M. performed its funeral rites. Interment was at Mt. Emblem cemetery, Elmhurst.

George was a member of Palatine Masonic Lodge, Palatine Royal Arch Chapter, Oriental Consistory and of the Medinah Temple, Chicago. He had also served as worthy patron of Palatine Eastern Star.

He was born in Palatine Dec. 16, 1891, attended the Palatine public schools, graduated from the local high school and the Chicago Business College. He had served 9 years as a member of the village board and two years as mayor.

There remain his wife, Mrs. Ada Voss, nee Broker; two sisters, Mrs. Alma Zoellich and Mrs. Sadie Olson of Palatine.

Ina Fitch

Funeral services were held June 5, for Mrs. Ina C. Fitch, 55, late of Arlington Heights, at St. James church. Rev. Richard Rosemeyer officiated. Interment Indian Creek, Ind. Black's Memorial home was in charge of arrangements.

Mrs. Fitch was born July 31, 1895, in Lucerne, Ind. She married Dr. Royal Fitch in Chicago in 1935. Dr. and Mrs. Fitch have resided in Arlington Heights and Prospect Heights for a number of years. Mrs. Fitch died June 3, at St. Francis hospital.

Survivors include: her husband, Dr. Royal Fitch; her father, Thomas F. Hilkert; and a sister, Mrs. Hildreth Ferguson.

Charles Hinz

Funeral services were held June 2 for Charles Hinz, 67, late of 109 W. Wing st., Arlington Hts., at Lauterburg and Oehler funeral chapel at 2 p. m. Rev. Theodore Potter of Des Plaines officiated. Interment Hillside cemetery.

Mr. Hinz was born June 15, 1883, in Long Grove. He died at Oak Forest hospital, Ill., May 30, and was formerly employed at Arlington Seating co. His wife, Ida, preceded him in death.

Survivors include two sisters, Mrs. Dora Meyer of Arlington Heights and Mrs. Mary Petterson of Des Plaines.

Frank H. Knigge

Funeral services were held Saturday for Frank H. Knigge, 72, late of Palatine, at Tharp's funeral chapel at 2 p. m. Rev. Glenn G. Gumm officiated. Interment South Side cemetery.

Mr. Knigge was born April 14, 1879, in Palatine. He died May 29. He was formerly employed as assistant cashier at the Patten Bank in Palatine.

Survivors include: three sisters, Mrs. Lydia Mosser, Pasadena, Calif.; Mrs. Delia Flaherty of Palatine, and Mrs. Wanda Senne of Park Ridge; a brother, Arthur Knigge of Gary, Ind., and a niece, Mrs. Ursula Feekings of Pasadena, Calif.

John Moellenkamp

Funeral services were held Sunday for John Henry Moellenkamp, 89, late of Golf rd., Elk Grove township, at St. John Evangelical Lutheran church, Elk Grove, at 2:30 p. m. Rev. F. L. Gehrs officiated. Interment St. John's Evangelical Lutheran cemetery, Elk Grove. Black's Memorial home was in charge of arrangements.

Mr. Moellenkamp was born October 21, 1861, in Leyden township. He married Alvinia Geweke May 25, 1884, in Niles, and the couple made their home on Golf rd. for 67 years. Mrs Moellenkamp preceded her husband in death. Mr. Moellenkamp died at his home May 31.

Survivors include: five daughters, Mrs. Mathilde Busse, Mrs. Clara Oehlerking, Mrs. Laura Kolpin, Mrs. Ella Oehlerking, and Mrs. Martha Grimm; five sons, Henry, William, Emil, Alfred, and Julius; 32 grandchildren and 25 great grandchildren.

William D. Baxter

Funeral services were held today, Thursday, for William D. Baxter, 61, late of 1321 Greenwood ave., Deerfield, at the First Presbyterian church, Deerfield. Dr. Paul J. Keller officiated. Interment Forest Home. Oehler's funeral home, Deerfield, was in charge of arrangements.

Mr. Baxter was born November 24, 1889, in Montague, Mich. He died June 4, at Highland Park hospital.

A veteran of World War I, Mr. Baxter served in the medical corps overseas. He was a member of Deerfield Post 738, American Legion, and operated the Deerfield Pharmacy for nine years. Prior to that he was a pharmacist at Jackson Park hospital, Chicago, for two years.

Survivors include his wife, Jennie, and a sister, Mrs. Grace Johnston, Spring Lake, Mich.

Alma Timmermann

Funeral services for Mrs. Alma Timmerman, late of Rt. 1, Elmhurst, will be held Saturday, at 2 p. m., from St. Peter Lutheran church, Schaumburg. Rev. Fred Hertwig will officiate and interment will be in Union Ridge cemetery. The body will lie in state at Lauterburg and Oehler's chapel in Arlington Heights until time of services.

Mrs. Timmermann, nee Utes, was born October 26, 1885, in Chicago. She died Tuesday at St. Joseph hospital, Elgin.

Surviving are her husband, Henry O.; one daughter, Mrs. Dorothy Pohlman of Arlington Heights; two sons, Alwin and Ernst; four grandchildren; two sisters, Mrs. Emma Kuester and Mrs. Frieda Wiltgen; and three brothers, Frank, August and Edward Utes.

Roger Harry Stippick

Funeral services were held Monday for Roger Harry Stippick, infant son of Mr. and Mrs. Ralph E. Stippick, Arlington Heights, at Black's funeral chapel at 10:30 a.m. Rev. Edgar Behrens officiated. Interment Memory Gardens.

He died Friday night at Sherman hospital, Elgin.

REACH 40,000 READERS FOR $1

Bernard P. Naas

Funeral services for Bernard P. Naas, late of Rand rd., Arlington Heights, will be held Saturday, at 10 a.m., from Lauterburg and Oehler chapel in Arlington Heights. Rev. L. V. Stephan will officiate and interment will be in Concordia cemetery.

Mr. Naas was born December 3, 1898, in Germany. He worked as a chauffeur for Midwest Mushroom Co. He died June 5 at Sherman hospital, Elgin.

Survivors include his wife, Marian; one son, Bernard Charles; his parents, Mr. and Mrs. Bernard Naas Sr.; and three brothers, Herman, William and Walter.

IN MEMORIAM

In fond and loving memory of our dear son and brother, Austin B. Buncik, M. M. 3c, who gave his life for his country seven years ago, June 6, 1944.

The silent night is lonely and
There is no golden dawn
Because we must remember son,
That you are really gone;
We still remember in our hearts
The happiness we knew
The many pleasant times we had
When we went out with you.
There is no joy and happiness
In flowers that we plant
And if we call your name we hear
The sound of emptiness.
We roam the house from room to room
We gaze beyond as far as we can see
But there is nothing we can do
To bring you back to our family.
We have to tell ourselves again
That you are really gone
And we can only ask the Lord
For strength to carry on.
But you're not alone in that grave o'er the sea
For there's where our hearts will always be.

Loving Father, Mother, Brothers and Sisters.

IN MEMORIAM

In loving memory of beloved son, Al, and brother who passed away one year ago today, June 11, 1950.

Memories are treasure no one can steal
Death is a heartache nothing can heal
Some may forget you, now that you are gone,
But we shall remember, no matter how long.

Mr. and Mrs. Albert Toppel and sisters.

W. H. Gieseke, pioneer resident of Schaumburg, dies; result of injuries

William H. Gieseke, 83, former Schaumburg resident, who resided with his daughter at 18 W. Maple, Roselle, died at St. Joseph's hospital, Elgin, Tuesday morning. His death is believed to have resulted from cardiac failure after he had suffered a spinal injury in a fall at the home of a son, William H. Gieseke, Jr., on Irving Park boulevard.

The son had picked up his father at Roselle and had taken him to his home where he planned on spending a vacation. Just as they entered a rear door of the son's residence, the elder Gieseke fell down 13 steps of a basement stairway.

Mr. Gieseke was born in Long Grove, Ill., Oct. 28, 1867, a son of Henry and Wilhelmine Meyer Gieseke. He resided in Palatine and Schaumburg most of his life but went to live with a daughter in Roselle following the death of his wife nine years ago. She was Sophie Windheim Gieseke whom he married March 29, 1893.

He is survived by the son, William Gieseke, Jr., of Elgin; five daughters, Mrs. Edward (Alma) Nerge of Elgin; Mrs. Louis (Selma) Nerge of Palatine; Mrs. William (Bertha) Thorsell of Roselle; Mrs. Alfred (Wanda) Glade and Mrs. Albert (Delia) Berlin of Palatine; one brother, Herman Gieseke; 14 grandchildren, and 11 great-grandchildren. One daughter, Luella, preceded him in death in 1918.

Funeral services will be held at 1 p. m. Friday at the Thorpe funeral home in Palatine and at 2 p. m. at the Schaumburg Lutheran church. Burial will be in Schaumburg cemetery.

Dance recital at high school June 11, 12

The twelfth annual dance recital will be given by students of the June Rold School of Dancing of Des Plaines June 11 and 12 at Arlington Heights high school auditorium.

The recital will be the largest the school has presented from the standpoint of the number of students participating as well as the costuming and production numbers.

The same performance will be given both nights and will be in two parts. "Behind the Picket Fence" depicts a garden by day and night and will feature many dances and costumes. The second part, "A Trip Set to Music," will feature dances by some of the more advanced students.

The "Big Ballet," featuring toe pupils in classic ballet has been an important part of the program for the past three years. Last year the "Little Ballet," composed of the little ballerinas met with such success, that it was decided to make it a traditional event.

The "Big Ballet" will feature Barbara Beck as queen of the forest; Lenaye Gabel, Arlington Heights, the enchanted princess; Alfred Mueller, the prince, and Sandra Scharkopf as the black princess.

The "Little Ballet" will feature Carol Ann Burns as the poor girl, Harry Strom the prince and Tom Giarrusso as the toymaker. In both ballets the students from the Arlington Heights-Palatine area who will be featured are: Donna Klopp, Tippie and Janice O'Hara, Alice Sanford, Patty Nerge, Sue Danisch and Virginia Holmes.

Other numbers in the recital will include tap, acrobatic and novelty dances by children ranging from two and a half years to sixteen years old.

Announce engagement

Mr. and Mrs. A. M. Kramer, 206 S. Albert, Mt. Prospect, announce the engagement of their daughter, Joyce Mitchell, to Cpl. Burton Lessmann, son of Mr. and Mrs. W. M. Lessmann, 21 S. Albert, Mt. Prospect.

Miss Mitchell will receive her high school diploma tonight, Thursday, from Arlington Hts. high school. Cpl. Lessmann is stationed at O'Hare field.

No date has been set for the wedding.

St. Peter graduates receive diplomas Friday night

Twenty students of St. Peter Lutheran school, Arlington Hts., will receive their diplomas in graduation exercises at the South school Friday, at 8 p. m.

Graduates are: Vivian Aurnhammer, Floyd Burns, Victor Carlino, Marlene Engelking, Donald Hinrichs, John Hoth, Carol Huber, Robert Johnson, Carol Lange, Anita Lihme, Patricia Loy.

Bonnie Malchow, Melvin Meyer, Richard Rademacher, Lodiegard Reinke, Charlene Rehfeldt, Carol Schoepke, Charles Walters, Robert Weise, and Janet Winkelman.

Dance students give 'Wizard of Oz' June 13

Delores Eiler presents her classes in her own interpretation of L. Frank Baum's "The Wizard of Oz," next Wednesday evening, at 7:30 p. m., in the Arlington Heights high school auditorium.

In this panorama of color, beautiful costumes and original choreography, nine soloists appear as leads in the large cast of 140.

The day dreaming "Dorothy," portrayed by Kay Rask, and "Toto," the puppy (Juanita Graves), are carried to a strange land (Kansas farmhouse and all) by a sudden hurricane. There they meet the Good Witch of the North (Charlene Rehfeldt), who gives Dorothy used magic slippers. (Charlene also portrays the wicked West Witch).

DOROTHY, anxious to return home, is referred to the Wizard of Oz (Arlene Heiss.) Journeying to his Emerald City, she meets the "brainless" scarecrow (Wanda Eakins); the "heartless" tin woodman (Judy Luehring); the "cowardly" lion (Judy Bown) and overcomes such perilous plights as an attack by a wildcat (Barbara Smith), foxes, bears and winged-monkeys.

Before Dorothy and Toto finally return home to Aunt Em (Betty Burke), Uncle Henry (Gerry Bailey), her doll (Sandy Schroeder), the hired men and milk-maids, they have seen interpretative dancing by little "green girls," acrobats, birds, trees, poppies, mice, palace guards, people of Emerald city, dolls of many lands, Glinda's soldiers, Glinda's people, Glinda's ladies in waiting and Glinda's good witch of the South (Barbara Smith). (Each of these groups of people are vividly portrayed by the various classes, respectively.)

Dorothy and Toto see the magician Oz transformed from a beautiful lady to a head; a ball of fire (achieved by using fluorescent costuming and black light) and an animal.

MRS. EILER exercises dramatic-license, but still holds true to the continuity of this whimsical tale as narrated by Phyllis Thompson. Mrs. G. Melvin Eakins, musical director of the school, is the accompauist.

This particular production has great promise of artistic beauty and brilliant dancing and was specifically chosen by the talented Mrs. John Eiler because of its abundance of dramatic action, an important criteria characteristic of her teaching.

In Mississippi

Pfc. Philip P. Theis of Arlington Heights has finished his basic training at Sheppard Air Field Base, Wichita Falls, Tex.

He is now in a student training squadron at Keesler Air Field in Mississippi. Phil joined the air force March 10. He graduated from Arlington Heights high school in 1949.

In Caribbean

One of 9,000 future Navy officers from 52 colleges and universities who will participate in a Naval Reserve Officer Training Corps cruise this year is Midshipman Robert R. Blackburn, USNROTC, son of Mr. and Mrs. Robert Blackburn of Arlington Heights, a student at Iowa State College, Ames, Ia. He will begin training June 22, aboard ship in the Caribbean area.

He will serve aboard one of six ships, which comprise a squadron including the heavy cruiser USS Macon, and the destroyers USS A. M. Sumner, Moale, Ingraham, R. N. Huntington and Furse. During the 27-day cruise he will visit Kingston, Jamaica, and Santiago and Guantanamo, Cuba.

These cruises, providing varied on-the-job Navy experience, are required of all Reserve midshipmen and include two summers aboard seagoing vessels and one period of aviation and amphibious indoctrination.

In Mediterranean

Ladislav J. Mesko, aviation ordnanceman, second class, USN, brother of Mrs. Mary Heidorn of 7 W. Campbell st., Arlington Heights, is serving aboard the aircraft carrier USS Coral Sea, now on its fourth tour of duty in the Mediterranean.

A unit of the Sixth Fleet, the uge carrier was the third super arrier launched after World War I. It is the flagship of Commander, Carrier Division 7.

Ports of call in the Mediterranean for ships of the Sixth Fleet include France, Italy, Africa, Sicily, and Greece, among others. Four tours in that area has made the Coral Sea a symbol of American air power.

Arlington firemen's carnival June 20-24

The annual Arlington Heights Fire department carnival will hold sway at the village recreation park for five big days, starting Wednesday, June 20.

Amusements, entertainment and refreshments are guaranteed to provide a maximum amount of enjoyment for everyone that attends the festivities. Water fights will highlight each evening of the carnival.

SUMMER HIGH SCHOOL BASEBALL LEAGUE OPENS SATURDAY

Arlington High tennis courts open to public

Announcement that the public will be permitted to use the new tennis courts at Arlington Heights high school was made this week by the board of education with the only deterrent the strict observance of the "gym shoes only" edict, plus other general rules of conduct.

The three Heights courts at Recreation Park have always been crowded in years past, and the additional four courts at the high school will ease the burden, providing many more with the opportunity to play tennis.

Because of the nature of the surface of these courts, much damage can be done if gymnasium shoes are not used. Some persons have felt soft-soled shoes which will not damage the courts. However, street shoes, because of their strength above the sole, put an unnecessary strain on the court surface.

HERE ARE the rules set up by the high school for use of their courts during the summer months:

1. Anyone using these courts for any purpose must wear gymnasium shoes. (Rubber soled street shoes not permitted.)
2. Nets are not to be adjusted other than by coaches, directors, or custodians.
3. Players must not jump over or lean on nets or posts.
4. The use of profanity is strictly forbidden. Smoking is not permitted by students on school property at any time.
5. Intramural and inter-scholastic playing or practice will take precedence over free play.
6. On days of free play, the two south courts will be reserved for the girls and the two north courts for the boys. Mixed doubles may be substituted on any courts that have not been scheduled. The girls' courts may be used by the boys if they have not been scheduled and vice versa.
7. On days of free play, players will be limited to one-half hour play unless the court is not scheduled for the time following.
8. Courts will be unlocked at 7:30 a. m. and closed at dark.
9. Courts will be open to the public and students all day Saturday and Sunday afternoon. The courts will not be open on Sunday morning.
10. The public is invited to use the courts on week days, provided they have not been scheduled for student usage.
11. Conduct on the courts should promote good sportsmanship and friendly relations.
12. Poor conduct, poor sportsmanship, abuse of facilities or damage to the court, nets, or fence should be reported to the director of athletics and physical education.
13. Though basketball backstops are provided at the courts, tennis will take precedence over basketball.

Stop and Sock takes first in Rob Roy golf

The Park Ridge Stop and Sock team with their captain Dudley Hartman shooting the evening's best gross score of 36 took over first place in the Rob Roy twilight golf league

Other fine performances for the night included Walter Fill's low net score of 32 and the near clean sweep that Kirchhoff Insurance team made of their match with the Prospect Heights Pharmacy team.

Standings:

Mt. Prospect and Riviera win

by TOM HART

Riviera and Mount Prospect added to their unbeaten record in the Palatine soft ball league Tuesday evening by downing Palatine Motors and El Rando respectively, and keeping their season's record clear. It was three straight for Riviera and two for Mount Prospect.

The fast, snappy Riviera boys downed Palatine Motors 5 to 4, in a red hot game settled in the last half of the seventh inning when Taylor, fleet-footed center fielder of the league leaders, scampered home on a wild pitch.

After the first couple of innings, which looked like a free scoring affair and produced most of the runs, both teams tightened and played good baseball.

IN THE FINAL game of a frigid evening Mt. Prospect and El Rando engaged in a pitcher's battle between Wille of Mt. Prospect and Gisler of El Rando, in what was probably the fastest game ever played at Community Park.

Here again the deciding score came in the last inning when Mt. Prospect scored as a runner came home from second on an infield out, 1-0.

Tuesday's games were two fine contests but the 48 degree temperature held the crowd to a handful of faithfuls.

Thursday night, June 7, Palatine Theatre plays Mt. Prospect and El Rando clashes with Skokie in what might be two more corking good games.

Seventh graders vs. eighth graders will be the preliminary to Sunday night's Palatine Motors contest.

Next Tuesday evening Palatine Motors plays Skokie and Riviera clashes with Mt. Prospect in a battle for the league lead. Sunday night Palatine Motors plays Libertyville in an Illinois softball league game at Palatine.

Mac Says-

by G. A. McELROY

School is out and the spring sports season has come to an end. In baseball it is Barrington again on top. Last year Ela got a share but no one can seem to keep a Les Harmon team from finishing first. So far his record in basketball and baseball at Barrington leaves little to be desired by the most critical of fans.

Osinski made Barrington the baseball champs

Barrington's Bronchos galloped to the championship mainly due to the strong right arm of a lad named Dan Osinski. The former Wauconda athlete pitched four straight shutouts to close the season. He beat Palatine 2-0, Ela 1-0, Wauconda 6-0, and Bensenville 7-0. In these four games he allowed a total of only eight hits. On top of this he opened the season with a no hit victory over Northbrook.

Aside from Osinski Barrington did not have the all-round class of the 1949 and 1950 teams but they won more convincingly due to superior pitching, a factor worth about 75% in high school baseball.

Barrington and Palatine took the championships

Barrington and Palatine won all the championships in the Northwest conference for the year just closed. Barrington made it three in a row in football, basketball and baseball. They also won the frosh-soph basketball undefeated for all games played and claimed an unofficial frosh-soph football championship. Palatine took the track title for the fourth straight year, won the conference frosh-soph track meet, and captured the golf tournament the second straight year.

Interest in summer high school ball increasing

Saturday the Northern High School Summer League opens play for the second season. With a nine team circuit and a number of outstanding teams there should be a lot of interest and better attendance than last year. We think the summer high school baseball idea will continue to grow. Already several more schools in this area are considering it for next year.

Naming a few individuals

Herb Oesterle, who made such a fine track record at Palatine high this year will have his name engraved on the Lions club trophy as the best rated athlete in the Palatine High senior class. Warren Lattof won a well deserved honor in being named for the Creamer memorial trophy as Arlington's track man of the year.... George Hansen who last year helped bat Barrington to the baseball championship and was the receiver for Schuett and Osinski, has been signed by the St. Louis Browns and will play in the Wisconsin State League this summer in his first season of pro ball. George batted .444 for second place in the summer league last year. . . . Palatine had two .400 hitters in baseball for a change and both were sophomore infielders. Paul Schrage played third and Dick Abrahamson looked after first. The same duo were varsity basketball regulars last winter.

This is the last "Mac Says" column until next fall. We will continue to write news during the summer covering the high school baseball league with scores, highlights, and standings but the column will be out for the duration of the summer.

Palatine ball team starts fast, finished slow, but gets ready for new start in summer loop

Palatine high school's baseball team takes the field against Woodstock Saturday night with these boys among the starters. They include, back row, left to right: Coach Claude Bailey, Don Zoellick and Bob Lorden.

Middle row: Don Rogers, Ray Sievers, Dick Abrahamson, Paul Schrage, Fred Herbertz.

Front row: Kenneth Kolze, Bob Meyer, Gerry Herrmann, Dan Day and Joe Mundson. Community Camera

Release 352 athletic awards at Arlington high school

Athletic awards to 352 boys competing at Arlington Heights high school were announced last week Thursday and Friday in special assemblies with athletic director Wally Grace and his staff of coaches conferring honors.

By special dispensation from the West Suburban league, because of competition only in spring sports, the local high school was permitted to continue its past policy with regard to athletic recognition. This included major and minor letters, plus numerals.

Next year Arlington Heights high school will go under the award system of the West Suburban conference. No minor letters are given at all. Major letters will be given to varsity boys who meet the required standards; those who do not meet them will receive no award of any type.

NUMERALS WILL be given in frosh-soph sports recognized by the conference to boys who meet the required standards; those who do not meet them will receive no award of any type. Freshman and JV players will receive no awards of any kind unless they earn them in frosh-soph and varsity sports.

Furthermore, only one varsity letter shall be awarded to a boy in a given sport. However, he can win a letter in any other sport. When a second letter is earned in a given sport, a metal service bar will be awarded and likewise for the third and fourth years.

Also, only one set of numerals shall be given to any freshman or sophomore in a sport. They shall not receive a metal service bar for their second year's service but a certificate shall be awarded them.

OF THE AWARDS announced last week, football heads the parade with 25 major letters, 39 minors and 53 numerals. Track was second with 25 majors, 27 minors, and 7 numerals. Basketball included 15 majors, 17 minors, and 13 numerals.

Eight sports are included on the list this year, including cross country, wrestling, tennis as well as golf, baseball, track, basketball and football. Complete list:

Football

Majors

Heights nine in final loss to Hinsdale, 5-4

by RON PRELLBERG

Arlington terminated its "51" baseball season Monday at Hinsdale when Hinsdale in its only conference victory defeated Heights, 5-4. This loss gave the Cards a 4 loss—10 won record in the West Suburban conference and a season showing of 5 wins and 11 defeats. For Coach Wally Grace it was his first losing campaign in 25 years of baseball coaching.

Baker started for the locals but a sore arm definitely put him off his stride as he walked seven. The first man up in the opening three innings were walked by Baker and each developed into a run.

Kowicki of Hinsdale and Baker and Intravartolo of the Cards each connected for round trippers. Kowicki's was with one on while Baker's and Intravartolo's were hit with the bases empty.

IN THE TOP of the fourth, Intravartolo, Card catcher, and leading batter, suffered a severe head injury when beaned by Kowicki's relay on a double play attempt. Intravartolo, who had singled for his second straight hit, started for sevond on Evans' ground ball to the second baseman. The second baseman tossed to the shortstop for the force out and it was the attempted throw to first that hit Intravartolo.

Walks to Morrow and Marek and Urba's single to left gave Hinsdale 1 in the first. Intravartolo's homer to deep center tied it up for AHTHS in the second. In the bottom of the second, Hinsdale added one more when Jakl and Zavertnik walked and Kowicki hit.

Hinsdale's lead was boosted to 3-1 in the third as they collected 1 run on 2 walks and Evans' error. The hosts increased their advantage to 5-1 in the fourth by notching 2 tallies on a single and Kowicki's homer to left center. The Cards cut this lead to 5-2 in the sixth when Baker connected for a round tripper.

A rally came Arlington's way in the seventh in the form of 2 runs but the inning ended with the tying run on third and Dassonville, pinch hitting for relief pitcher Meyer, fanning for the final out. Arlington's final runs were produced on walks to Nelson and hits by Thill and Fasick, together with a Hindsdale error.

Bensenville nine whips Antioch, 3-0

Bensenville's baseball Bisons administered a 3-0 whipping to Antioch Tuesday afternoon of last week on the northern school's diamond, keeping them in the running for league honors.

A big fifth inning was all Coach Tom Meneguin's boys needed with Karrigan pitching a good game, allowing just two hits and striking out twelve. After Griffone fanned, Merholtz walked, stole second, then scored on Karrigan's single. Modrich and Kratochvil followed with singles, the latter's driving in Karrigan, with Gengel's blow scoring Modrich.

Prenzer also struck out an even dozen for Antioch.

Bisons lose in league final

Barrington won the Northwest conference baseball championship Tuesday afternoon by defeating Bensenville 7-0 as Osinski pitched his fourth straight shutout for the Bronchos. Osinski held the Bisons to one lone scratch hit and the Barrington hitters belted Karrigan's delivery for two runs in the fourth and five in the fifth to sew up an undisputed championship. Barrington's 6-1 record is a game better than that of Ela-Vernon's 5-2. Barrington and Ela-Vernon tied for the title last season. Ela-Vernon closed their season with a 17-1 trouncing of Wauconda as Obenauf hurled a one hitter.

Palatine nine loses to Grant in league final

Palatine High completed their Northwest conference baseball schedule Friday with an 8-5 loss to Grant of Fox Lake. It was Palatine's fourth defeat in seven league games and their seventh defeat in 10 starts during the spring season.

The Pirates got 12 hits off Leuth of Grant while the Bulldogs were getting nine off Day but six bases on balls and three costly errors helped Grant gain the scoring edge. Fred Herbertz and Don Zoellick each hit three singles and Don Rogers and Paul Schrage each collected a double and a single for Palatine. Bill Leuth got a single and a home run, Koutny hit a single and a triple, and Smith polled out two singles for the winners.

Junior Legion ball at Arlington Saturday

First tryout for the Arlington Heights junior Legion baseball team will be held Saturday, June 9, at Recreation Park, at 2 p. m. All boys seventeen years of age or younger after January 1, 1951, are eligible for competition.

The team will be sponsored by the local Legion post and George C. Poole Ford organization. Backers hope a large turnout of boys will report, making Arlington a strong contender for district honors.

Janet Baylis and Margaret Mitchell won the daily prize for Blind Bogey.

Alice Blocksom and Ruth Carnell won the daily prize for low gross May 29.

Redwings split as team settles down to baseball

Semi-pro baseball returned to Recreation Park this past week when the Arlington Redwings were edged Memorial Day, 6-5, then beat Glenview Sunday, 5-2. Certain personnel changes have been made in the Redwing lineup which, coupled with experience, should mean better baseball in future games.

This Sunday the Redwings will be out to make amends for the recent 28-1 farce suffered at the hands of the Berwyn Colts when the southsiders come back for a return engagement. Game time is 3 p. m.

AGAINST CICERO the Redwings grabbed a 3-0 lead, but couldn't hold it when a hit batsman, two singles, an error and a double combined for a three-run assault by the visitors in the sixth.

The locals went ahead again on Lang's homer and Stretton's single after O'Shaunessy got on base on an error, but to no avail as Cicero tied it up again in the seventh.

Final score was made in the ninth.

THEN SUNDAY, with the Redwings tied at 2-all going into the eighth frame, a single by Sciewe, followed by two errors, one of them permitting O'Shaunessy to get on, plus a blow by Rahm brought in three tallies to notch a 5-2 winning margin.

3 Arlington grads score at Illinois

Thirty-two athletes competing in spring sports have been awarded varsity letters by the Athletic Council, Douglas R. Mills, director of athletics at University of Illinois, announced.

Fifteen members of the 1951 baseball team earned awards, and six track men were added to the 19 who gained letters during the indoor season. Five golfers and six tennis players also were given letters.

Marv Berschet of Arlington Heights, discus and shot putter for the University of Illinois track squad this year, has been elected to captain next year's team. He received a letter for his work this season.

In golf Vernon Rascher of Arlington Heights received a varsity letter.

Among the freshmen gaining numerals was Ray Huffman of Mt. Prospect in baseball.

Palatine host to Woodstock at 6; at Elgin Tuesday

By G. A. McELROY

Palatine will be host to Woodstock, undefeated champ of the North Suburban conference, Saturday night at 6:00 p. m. in the opening baseball game of the Northern Illinois High School Summer League schedule. Other opening games Saturday find Antioch at Hebron, Elgin at Marengo, and Barrington at Harvard. Grayslake has an open date Saturday.

Nine teams will each play a 16-game schedule between the dates of June 9 and July 24 in the new summer league setup. Last season the league operated with six teams including Barrington, Elgin, Palatine, Woodstock, Hebron and Marengo. Barrington won the season championship and Elgin took the tournament playoff involving the top four teams. This year Antioch, Harvard and Grayslake have been added to the circuit and the schedule extended from 10 to 16 games.

All games will start at 6:00 p. m. and run seven innings. Tuesday games at Elgin are the exception and will be played under lights. Next Tuesday Palatine will open Elgin's home season under the flood lights at 8:30 p. m.

The league is sanctioned by the Illinois High School Association and operates under the same rules as any other high school sport. All boys eligible to play at the close of school may play during the summer season including graduating seniors. Regularly employed high school coaches must handle teams.

WOODSTOCK, the undefeated champion of the North Suburban conference, Barrington, who is on top in the Northwest loop, and Elgin, of the Big Eight, are considered to be the strongest pre-season prospects to be championship contenders. Hebron has a much improved team over a year ago when they shared last with Palatine. Antioch and Grayslake among the new members had fine spring season records. Harvard did not play ball during the spring and will be starting the sport for the first time in their school this summer.

Coaches in charge of the teams of the circuit are as follows: Antioch, Dick Scott; Barrington, Les Harmon; Elgin, Al Scharf; Grayslake, Paul Subject; Harvard, Claude Richardson; Hebron, Russ Ahearn; Marengo, Everett Hamilton; Palatine, Claude Bailey, and Woodstock, Guy Curtright. G. A. McElroy, principal of Palatine high school, is the league commissioner. Claude Pfeiffer, secretary of the Northern Illinois Umpires association at Zion, is acting as umpire chairman with men named at the start of the season to handle all the officiating for the 16-game schedule.

Last season the standings were Barrington 8-2, Marengo 7-3, Woodstock 6-4, Elgin 5-5, Hebron 2-8, and Palatine 2-8. Five of the six leading hitters in the league last year will be on hand for the coming season. Bob McCannon of Woodstock led the circuit with a .454 mark. He is the lad who just pitched Woodstock to the North Suburban title. Allen of Elgin batted .440, Herbertz of Palatine .389, Phil Judson of Hebron .384, and Dermont of Woodstock .379.

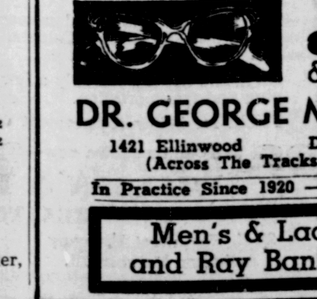

Mt. Prospect Twilight golf league moves date for mixed tourney

Because of the Memorial day holiday May 30, the Mt. Prospect Twilight league had a week's vacation from match play.

They did, however, have blind bogey play on both Tuesday and Wednesday night, with prizes for the winners.

Tuesday night had quite a good turnout for this event with the opposite being true on Wednesday night due to the Memorial day holiday.

The Husbands and Wives tournament scheduled for June 10 has been changed to June 24. League members and their wives are urged to come out for this event.

Palatine golfers end season with 13-7 record for year

Palatine Township high golfers closed the season last week with a double loss to Niles and Proviso in a triangular get-together at Bunker Hill golf course. The Pirates lost to Niles, 8½ to 6½, and to Proviso, 8-7. Niles beat Proviso, 8½ to 6½.

The matches were extremely close all the way. Harold Klapp, playing his final golf matches for Palatine, was moved up to the number one spot on the team and responded with Palatine's best score, an 80. Charles Briggs, Palatine's star sophomore who will be lost to the team through transfer to Denver, Colo., shot an 82. Tom Smith, a junior, and "Tinker" Meyer, freshman, who will be the mainstays of next year's team, both carded 83. Chuck James, a sophomore playing in the fifth spot shot an 88.

Palatine closed the season with a won and lost record of 13-7 in a 20 game schedule which included the best teams in the area. The strength of the opposition and of golf in the northwest suburbs is shown in the fact that New Trier won the state championship and Arlington Heights won the West Suburban League and was second in the district. Palatine split two matches with Arlington. Palatine was fourth in the district which produced the state champ.

IN ADDITION to a fine season record, the Pirates won the Northwest conference tournament the second year in a row at their home course, Inverness Golf club. The Inverness course was made available to the golf team again this year for practice, matches, and the league tournament thru the generous interest of A. T. McIntosh. The success of the Palatine golf team the past two years in winning 27 out of 34 matches and two league championships was made possible by owners of the course.

Seven Palatine players averaged under 90 for the season. A total of 11 boys played in golf matches. A second team won four and lost two and Ray Metzler, Gerry McElroy, and Peter Abramson won minor letters. Major letters were won by Charles Briggs, Harold Klapp, Tom Smith, Richard Meyer, Charles James, and Richard Roof.

Scoring averages and total points scored for the season for the squad members was as follows: Charles Briggs 82.16 with 27½ points in 19 matches; Harold Klapp 83.9 with 28 points in 18 matches; Richard Meyer 84.53 with 44½ points in 19 matches; Tom Smith 85.84 with 31½ points in 19 matches; Charles James 88.11 with 27 points in 18 matches; Richard Roof 88.47 with 26 points in 15 matches; Ray Metzler 89.7 with 20 points in eight matches; Peter Abramson 102.5 with 17 points in eight matches; Gerry McElroy 103.33 with 20 points in nine matches; Richard Florey 107.67 with six points in six matches; and Bob Martin 113.2 with seven points in four matches.

Scores for the season are as follows:

VARSITY

Palatine 7½, Proviso 10½
Palatine 7, Highland Park 8.
Palatine 15, Antioch 0.

No hit, but Broncs score to beat Ela

Barrington assured themselves of no worse than a tie for the Northwest Conference baseball championship last Friday by beating Ela-Vernon 1-0 in a game called in the sixth inning by rain. Barrington scored their single run in the first inning without a hit. Beckhart got first on an error, stole second, and scored on another error. Ela had a 3-2 edge in hitting but Osinski shut them out.

	r	h	e
Ella-Vernon	000	00—	0 3 3
Barrington	100	00—	1 2 2

Batteries: Ela-Vernon, Oberauf andRizzo; Barrington, Osinski and Iverson.

Herbertz flings Palatine to victory

Fred Herbertz pitched Palatine to a 9-2 victory over Northbrook the day before Memorial Day with a three hit twirling exhibition. A home run by Pierce, an error and a single by DePietra in the second inning constituted the Northbrook scoring. Palatine got nine hits off Rosenow including two each by Abrahamson and Sievers. Lorden and Abrahamson hit home runs. Five hits and two bases on balls combined to give Palatine six runs in the first inning which meant the ball game.

Oak Park	1	2
Des Plaines	1	2
Palatine	0	4

by RALPH GISS

Even though the Barrington Bears and Northbrook Hawks dropped games to the league leaders, the Libertyville Comets, each won another contest during the week to tie for second place in the Illinois league standings.

Behind the one-hit twirling of Jack Tracey, Barrington nipped Oak Park, 1-0, last Sunday in ten innings at Barrington to give Oak Park its second league setback. Northbrook meanwhile took winless Palatine, 9-3, at Northbrook as Bob Loutsch turned in his second league mound triumph.

Libertyville's Comets, undefeated and in first place with four straight wins, blanked visiting Barrington, 3-0, as Warren Boyes chalked up his fourth league success. The game was a strikeout feature with Boyes outshading Tracey, 15-13.

DES PLAINES garnered its first league win at the expense of Palatine, 11-8 last Saturday in a free-hitting slugfest. Ed Zimmerman of Des Plaines lined out three hits and has taken over second place in the league batting with a .454 mark behind Warren Boyes who sports a towering .533. Libertyville nipped Northbrook, 4-2, on Sunday.

In the feature game of the week Barrington travels to Northbrook Friday evening, June 8, seeking to break its deadlock for second place with the Hawks. On Saturday Northbrook travels to Des Plaines while Libertyville visits Palatine on Sunday.

York dumps Cards in no-hitter, 2-0

by RON PRELLBERG

Neil Thode of York hurled a brilliant no-hit no-run ball game against Arlington last Tuesday afternoon on the latter's diamond to shut out the Cards, 4-0. Thode allowed just five walks and stuck out eight.

The only thing resermbling a hit came on the next-to-last play of the game. Clark poked one down the third baseline, the third baseman grabbing it and throwing high to first for an error. Bob Baker, local twirler, pitched creditable ball all the way, allowing only 1 earned run of the 4.

After four scoreless innings, York broke the ice in the fifth when Krause reached first on Grace's error, was sacrificed to second, and scored on Thill's error of Thode's ground ball. Thode then tallied on a wild pitch and Polonus' hit to left. York raised its lead to 4-0 in the top of the seventh with one out. A triple to deep left by Thode scored Nygren from first and Thode then reached home on a wild pitch.

Music Maids to meet Bloomer Girls Friday

Second place will be at stake in the National Girls' Baseball League Race Friday night at Admiral Stadium, North River rd., Des Plaines, when the Bloomer Girls meet the Music Maids starting at 8:30 p. m.

Lottie Jackson will hurl for the Maids, opposing Wilda Mae Turner for the Bloomer Girls in what promises to be one of the best pitching duels seen thus far this season.

SATURDAY NIGHT the Music Maids meet the Checashers in a big double header at Admiral Stadium, starting at 8 p. m. and Sunday evening take on the Rockolas in a single game at 8:30 p. m. The Burns Turns, only sister battery in girls' baseball, will work for the Rockolas in Sundays game at Admiral Stadium.

The Music Maids feature girls' baseball games at Admiral Stadium every Tuesday, Wednesday, Friday, Saturday and Sunday nights of each week.

Reservations made by calling Vanderbilt 4-3121—the box office, is open from 1:30 p. m. daily.

FRANK DARLING, owner of the Music Maids, announced the outright purchase of Josephine Kabich, star pitcher for the Rockolas of the National Girls' Baseball League. Kabich, one of the league's leading right handers, won 22 games last year and ranked third in effectiveness.

In 1948 Josephine Kabich won 24 games and lost six to be the top hurler in wins in the league as well as the most effective in earned runs.

Heights golfers win final, 24-0

by RON PRELLBERG

The local linksmen stroked their last putts for AHTHS last Monday on the 18th green at White Pines Golf course as they rolled over Leyden, 24-0, in varsity competition and 14-1 in the frosh-soph match. This was the second shut-out of the year for a Card opponent, the first coming when Arlington's duffers trounced Glenbard at Old Orchard.

This season's golf team is one of the top teams Arlington has had to date and it produced a banner year for the red and white. They finished up with an impressive 16 won and 6 loss record for a .727 campaign.

Tang, Rowader, Hauff, Coleman and Rascher toured White Pines' 18 in 77, 77, 79, 78, and 80 respectively, an accurate example of the fine golf each has played in '51. George Skelton, particularly as a freshman, lettered for the Cards at the seventh and eighth positions.

Top on the locals' list of victories were triumphs over Palatine, Niles, and Riverside-Brookfield. The conference championship sailed Arlington's way this year to brighten Coach Larsen's duffers. A lot of credit is due Coach Larsen who has kept his charges plugging through a long and drawn out campaign. Graduation will account for four local seniors, Rowader (captain), Prellberg, Coleman, and Schaeffer, but the outlook for the Redbirds is still bright for next year.

Bears set date for training departure

Less than nine weeks to go!

The Chicago Bears will begin training on August 1st in preparation for the 1951 National Football League campaign. Club President and Head Coach George Halas announced his squad will depart on that date for camp, and also disclosed that the Bears will again train at St. Joseph's College, Rensselaer, Indiana.

This will be the thirty-second season for the Bears, who have won more championships, more games and scored more points than any other team in professional football history.

The Bears will assemble in Chicago on the morning of August 1st and stage their first workout of 1951 that same afternoon at St. Joseph's. Halas has instructed his players to report "fit and ready for the toughest season any Bear team has ever faced." As a matter of fact, he already has set specific weight "limits" for many members of the squad.

This will be the eighth summer for the Bears at St. Joseph's College, located some 95 miles southeast of Chicago.

Arlington netmen fall to Leyden

by RON PRELLBERG

The curtain was brought down on another tennis season under the generalship of Coach Roderick McLennan last Tuesday afternoon when the local varsity played host to Leyden and was defeated, 3-2. Anderson and Knapp, and Runyon and Holmes triumphed in the doubles matches for the Redbirds' only two points. Ross, Bowersox, and Peltier were all defeated in the singles division.

Captain Anderson, Runyon and Lull are the three seniors who will be taken by graduation but still the Cards should show definite improvement in '52, with several of the other boys returning.

Ross A, lost to Sorenson L, 6-2, 6-0.

Bowersox A, lost to Kessler L, 3-6, 9-7, 7-5.

Peltier A, lost to Hey L, 2-6, 6-3, 6-2.

Anderson and Knapp A, beat Earl and Voss L, 8-6, 3-6, 3-6.

Runyon and Holmes A, beat Holl and Grute L, 2-6, 11-13.

Card frosh-soph nine loses two

After a week's lay-off due to two games being postponed because of bad weather the "little Cardinals" of Arlington Hts. high school dropped two contests on successive days last week. Thursday they were outscored, 10 to 8, by Barrington on the latter's home field and in Friday's contest, Maine was ahead, 3-2, after 6 innings when the game was called due to rain.

In the Barrington contest the A. H. T. H. S. frosh-sophs bombarded Iverson, Barrington hurler, for 13 hits, including a triple by Dahlstrom. Barrington collected eight hits off Scheuber and Stockwell, including a triple by Hartwig and a double by Hohlfelder.

Scheuber started for the locals, but gave way to Stockwell in the third due to wildness and erratic fielding on the part of Eakins and Straus. Stockwell was greeted with a hit, scoring two more runs in the third before the side was retired. Arlington tied it up in the fourth, 7-7, but Hohlefelder's double in the fifth with the bases loaded made the final tally 10-8 in Barrington's favor.

Stockwell was the losing pitcher and Iverson the winner.

Arlington	230 201 1— 8
Barrington	025 030 x—10

Friday the "little Cardinals" played exceptionally well against an outstanding Maine frosh-soph squad but the rain, which halted the game in the sixth, prevented a final chance to overtake a 3-2 lead. As it was, the game proved a pitcher's battle all the way.

Tom Reed had everything under control for the locals by striking out 11 and walking five. He allowed only six scattered hits, of which only one proved to any advantage for Maine. This one, a triple by Maine twirler Gallup, pushed Olson across with the winning tally.

Gallup's swat would have been an easy out for Bob Dotts under normal weather conditions, but he misjudged it in a strong wind and allowed it to go for a three base blow. Gallup also proved himself as a pitcher by striking out 12 and walking five. He allowed four singles.

Arlington	001 001—12
Maine	110 01x—13

Arlington nine lose to Downers

by RON PRELLBERG

The second extra inning game of the season was lost by Arlington's Cardinals to Downers Grove in a ten-inning affair Thursday afternoon on the Cards' diamond, 10-7. Bob Baker, who pitched 9 1-3 innings of the 10 with only one day's rest, hurled remarkable ball, but weakened to lose the heartbreaker.

Wille started on the mound for Arlington, but was tagged for five runs with two out in the first on five walks, two hits, and Fasick's error. Baker came to the rescue and put out the fire with one pitch.

The locals surged back with two in the bottom of the first and four in the second to go ahead, 6-5. Two unearned Downers' runs after two were out put the visitors in the lead, 7-6, in the fifth. Fasick's single then knotted the game at 7-7 with the bases loaded in the bottom of the sixth.

A PITCHER'S battle was then staged bettwen Baker and Springborn, until Baker weakened in the top of the tenth and Downers tallied three times. Hits by Fister and Lee, and walks to Dutcher, Rutherford, and a hit batsman featured the inning.

Arlington (7)	ab	r	h	D. Grove (10)	ab	r	h
Schmidt	1	0	0	McLees	4	2	2

Auto races begin in Admiral Stadium Thursday, June 14

Three-quarter midgets, the newest form of automobile racing, will make its debut in this area next Thursday, June 14.

An eighth-of-a-mile clay and sand track has been laid inside the fence of Admiral Stadium on North River road, Des Plaines, to accommodate these mighty mites of racing.

The cars are approximately three-fourths the size of the standard midget racing car. This makes them so small that one driver, after his first ride in one, stated, "You don't exactly ride in them, it's more like riding on them!"

Weighing from 350 to 650 pounds, many of the "Thunderbugs" are powered with motorcycle engines and use motorscooter wheels.

Some of the drivers from this area that are expected for the opening are Clifford Cornell, Berwyn; Paul Cullom, Franklin Park; Roy Ryberg, Rogers Park and Don Bogash of Chicago.

Scheduled to run every Thursday from June 14 to Labor Day, the first of the six races in each session is slated for 8:30 p. m. Reservations can be made by calling Vanderbilt 4-3121.

Elk Grove 4-H

The May meeting of the Elk Grove 4-H club was held at the home of Ronald Botterman.

Mr. Johnson from the Public Service Co. showed members how to make a handy cord.

The leaders will set the date for the next meeting and mail cards to all members. The meeting will be devoted to talks on dairies.

Dog show torphies placed on display

Trophies that will be awarded by the Skokie Valley Kennel club at its show in Mt. Prospect June 17 are on display in Arlington Heights, Mt. Prospect and Prospect Heights.

Awards for Junior Showmanship are at the Karstens-Helberg Jewelry store, 7 S. Dunton, and trophies for obedience are in the window of Krause & Kehe, Arlington Heights.

Other trophies are at VanDriel Pharmacy, Wenzel Jeweler, Van's Stationery store, Mt. Prospect and Prospect Heights Pharmacy.

The show is expected to draw dog fanciers from a wide area. Admission charge is $1.

Cut noxious weeds

(Official Notice)

According to "An Act Concerning Noxious Weeds," all property owners are required by law to destroy noxious weeds growing on their premises before they reach the seed-bearing stage. Full cooperation by every property owner and municipality with the local Thistle Commissioner will be greatly appreciated.

As a land owner you are hereby notified that you are under a legal duty to destroy all such noxious weeds on the above described premises before seed-bearing stage, in accordance with the provisions of Section 3 of the above mentioned act. The methods of treating and eradicating noxious weeds as recommended by the Department of Agriculture can be obtained from the undersigned.

Full cooperation from property owners will be necessary.

Yours truly,
LOUIS CLARK,
Commissioner of Noxious Weeds, Wheeling Township (6-15

REACH 40,000 READERS FOR $1

An automobile driven by Ted Himes, salesman from Urbana, struck and seriously injured Noel Johnson, 7, son of Mr. and Mrs. Norman Johnson of Forest Trailer Park, when the youngster was crossing Dee road after alighting from a school bus, according to police reports.

The school bus, going south on Dee, had stopped to let the children off at Camp Hoffman. The boy ran from behind the bus and attempted to cross the road. He was struck by the northbound car and thrown 15 feet.

He received a fractured femur, a concussion, and back injuries.

Eliminate Baby Sitters

Modern Etiquette

Q. Is it really proper for a man to offer his seat in a bus or other public conveyance to a woman?

A. There certainly is nothing "improper" about the offer, but in this workaday world in which women have invaded many of the previous "rights of man," it is no longer expected for a man to give up his seat in a public conveyance to a woman. Of course, if the woman is elderly, carrying a baby, or is a good friend of his, then he most certainly should be thoughtful enough to offer her a place to sit.

Q. I have heard that it is improper to eat the lettuce on which a salad is served. Is this correct?

A. No. The lettuce is part of the salad, and if one likes lettuce, then there is no reason why it should not be eaten.

Q. What are the accepted forms of the complimentary close for business letters?

A. Yours truly. Very truly yours. Respectfully yours. Sincerely yours. Cordially yours. Faithfully yours.

Q. I am to be married in church wearing only an afternoon dress and having only a maid of honor. Am I supposed to invite only a very few friends and relatives to a wedding of this type?

A. There is no limit to the number of guests you may invite to your wedding, provided of course there is ample room for everyone.

Q. Is it proper for a man to accept a cigarette offered to him by a girl?

A. This is quite all right.

Q. Is it proper for a dinner guest, when he has finished a meal, to push his plate a little away from him?

A. Definitely not. The dishes should never be moved by the guests.

Q. When at the table and someone asks you a question while you have food in your mouth, what should you do?

A. Be sure to wait until you have swallowed the food before you attempt an answer. You know only too well what it sounds and looks like when one tries to talk with food in the mouth.

Q. Please suggest some light refreshments that can be served at a small wedding reception?

A. Cake, with coffee, tea or punch. Sandwiches and ices can be included if desired.

Q. When a man knows a girl does not smoke, is it still proper for him to ask her permission for him to smoke?

A. This custom has eased somewhat, but it still is nice to do.

Q. When a man is dining with a woman in a restaurant, should he give his own or the woman's order to the waiter first?

A. He should consult his companion and give her order first, followed by his own.

Defense bond sales

Defense Bond sales in the 4-month period ended April 30 totalled 22,034,000 individual pieces, exceeding the same period a year ago by 875,000 pieces —or 4.1%. Of the total placed, 18,426,000 pieces were $25 and $50 bonds — 1,864,000, 11.3%, more than the number sold during the previous year period. Sales of the $500 and $1000 denominations numbered 840,000 pieces, off 35%.

The dollar volume of Series E purchases in this 4-month period aggregated $1,149,000,000 off 19.7% against the same months of 1950. The $25 and $50 bonds accounted for $420,500,000 of the total, 9.7% more than during the comparable period last year. Sales of $500 and $1000 bonds amounted to $497,600,000, a 36.3% drop.

U. S. Forestlands

About one-third of the area of the United States is forest land. Of this, an area of approximately 461,700,000 acres grows, or is capable of growing, commercially valuable timber.

Date-Raters

PAIRED OFF, all set for a picnic, in tan and white comfortable "go-together" casuals. She's wearing a Nan Westley two-piecer, with a washable cotton blouse that's a designer's adaptation of her date's handsome shirt. He's wearing tan slacks and the new Arrow Bi-Way shirt that can be worn with or without a tie, for its unique collar construction eliminates the stitching on the inside seam, and the automatic fold line provides adequate space for a necktie without bunching or bulging. Welcomed by wearers as a great step forward in solid comfort (where it's needed most in summer—at the neck), the new Bi-Way shirt with Arafold construction comes in five different collar styles and on all Arrow sport shirts. (ANS)

Gems of thought

INDUSTRY

Application is the price to be paid for mental acquisition. To have the harvest we must sow the seed. —Bailey

A man who gives his children habits of industry provides for them better than by giving them a fortune. —Whately

The richest blessings are obtained by labor.
—Mary Baker Eddy

Every man shall receive his own reward according to his own labour. —1 Corinthians

Fortune may find a pot, but your own industry must make it boil. —Gay

The darkest hour in one man's life is when he sits down to plan to get money without earning it. —Greeley

Kids questions

"Why?" is the question that drives most parents to distraction —but, according to child guidance experts of Childcraft books, you can be prepared for what's to come. Results from a survey of children's interests indicate the leading interests of children from kindergarten to sixth grade are topics of nature such as animals, plants, weather and the sky.

Banana milk shakes for vacation time

Here come vacation days, when teen-agers will be more active than ever but much less inclined to sit down for a normal lunch. However, they'll still burn up their share of energy, and there's no better—or quicker—way to re-charge than with fruit, especially bananas.

According to the United Fruit Company, bananas are one of the best and fastest sources of energy, containing an abundance of vitamins A and B. Furthermore, they're quickly and easily digested. What better way, then, to keep the youngsters well-nourished all summer than to have the makings of Banana Milk Shakes on hand all the time? They're as delicious as they are nourishing when made according to this Good Housekeeping recipe:

Peel and slice four bananas into a large bowl. Beat with a rotary beater. Stir in one quart of milk and two teaspoons of vanilla. Top with blobs of chocolate ice cream (about one pint). After filling glasses, slice a banana (skin and all) and slit each slice. Then slip one over the edge of each glass.

P. S. Once the kids taste this dream potion, it might be a good idea to remove the back door—before it's knocked down.

CHRISTIAN SCIENCE CHURCHES

That our understanding of but one real cause, even God, and one true creation, man and the universe, sets our feet on the path to spiritual knowledge, will be explained in next Sunday's services in all Churches of Christ, Scientist. The title of the Lesson-Sermon on Sunday, June 10, is "GOD THE ONLY CAUSE AND CREATOR."

The Golden Text is from Revelation (15: 3) "Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints."

Bible selections (King James Version) in the Lesson-Sermon include these passages:

"The Lord is the true God, he is the living God, and an everlasting king; . . . He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion" (Jer. 10: 10,12).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (p. 502).

Only $492.00 down
$45.07 per month
(½-ton low-side standard pick-up illustrated)

It's easy to buy this

DODGE "Job-Rated" PICK-UP

ASK FOR A DEMONSTRATION OF THE "BEST BUY IN TOWN!"

More load space

Big, rugged high-side body, available on Dodge "*Job-Rated*" ½-ton pick-up, has 44.16 cu.-ft. capacity to top of tailgate—biggest load space of any popular truck of comparable wheelbase. Roomy ¾-ton and 1-ton pick-ups have extra capacity, too.

Biggest seat and windshield

There's plenty of room for three husky men in the comfortable chair-height seat—widest of any popular truck. You get the biggest windshield of any popular truck, too—more than 900 square inches for extra-safe visibility. Dual windshield wipers are standard.

All these extra values, too!

No other pick-up offers you all these proved features! Big 97-horsepower engine! Oriflow shock absorbers for unequalled riding smoothness! Lightweight, 4-ring pistons with top ring chrome-plated for economy and long life! Fully controlled hydraulic brakes with Cyclebond "no rivet" brake linings and independent hand brake! Moistureproof ignition for all-weather dependability!

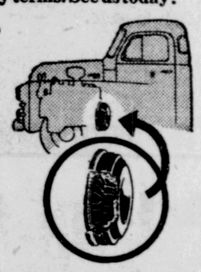

Once you see . . . ride in . . . and drive this great money-saving ½-ton pick-up you'll know why owners all over town say they never expected "so much truck for so little money." And with our special credit terms, it's so easy to buy!

You can also get a ¾- or 1-ton Dodge "*Job-Rated*" pick-up with high-side or low-side body on equally easy terms.

On all Dodge "*Job-Rated*" pick-ups you get increased power . . . higher 7.0 to 1 compression ratio . . . easier handling . . . extra-wide running boards for safe, sure footing . . . all-steel body with load-protecting hardwood floor.

Best of all, the price is so much lower than you'd expect! Buy *now* and take advantage of low first cost . . . long, easy terms. See us today!

The Only Pick-up Trucks With 9-yrol FLUID DRIVE!

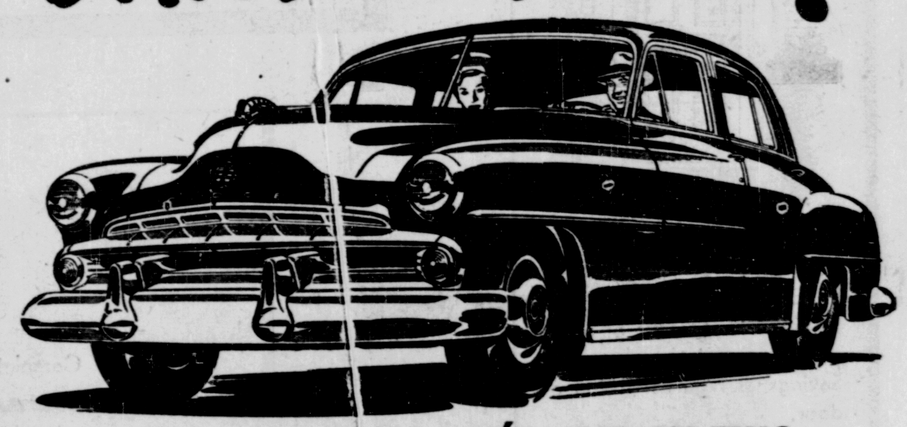

Nothing else like it! Fluid Drive—available on ½-, ¾-, and 1-ton models—makes driving easier, increases truck life. This proved fluid coupling between engine and clutch makes starts smoother, protects your load.

Appoint Theodore Wallach to First Church of Christ, Scientist board

Theodore Wallach, Chicago Christian Science practitioner, has been appointed to the Christian Science Board of lectureship.

Appointment of Mr. Wallach to the globe-girdling board of lecturers was announced by the Christian Science Board of Directors. The new lecturer's work will take him to points throughout the United States and overseas.

The announcement was made in Boston where nearly 7,500 Christian Scientists from all over the world assembled at the annual meeting of the Mother Church, The First Church of Christ, Scientist, in Boston.

Highlighting the Boston meeting was a special message from the Christian Science Board of Directors declaring that complete defense from disaster and destruction is available to all through the clear spiritual understanding of God.

THEODORE WALLACH

THE DIRECTORS said the deepest laws of the universe are spiritual laws of harmony, and can be utilized for individual protection and also for the preservation of human freedom. They noted growing spiritual enlightenment and said "great spiritual progress is bound to follow."

Several hundred Illinois men and women attended the meeting. John D. Pickett, Chicago practitioner, was chosen by the directors to read a report at the meeting from the field at large. A former Chicago man, Richard J. Davis of San Jose, Calif., former First Reader, Fifth Church, Chicago, was reappointed Editor of the weekly and monthly religious periodicals.

New president of the Mother Church for the coming year, it was announced, is Mrs. Lora C. Rathvon of Boston. In a ringing address Mrs. Rathvon said that never was the need more urgent to look beyond the material sense of life, to "see man as God's spiritual idea." Forecasting greater spiritual achievements, she said, "We are standing on the brink of a new era."

THIS THEME was emphasized also by Walter S. Cross of Fitchburg, Mass., retiring president, who said the world is undergoing "the most profound and stirring revolution of all time."

"Materialism is being overturned. A profound ferment is at work," he said. He spoke of an open-minded, inquiring attitude in human thought toward religion "which presages a new era in Christianity."

Key officials delivered progress reports on world-wide activities of the Christian Science church. The crowds attending the meeting overflowed the main edifice of The Mother Church, which seats nearly 5,000, to a smaller auditorium and also a nearby theater building.

HEALINGS OF cancer, lameness, deafness, and blindness, through spiritual means, were reported by the Christian Science Board of Lectureship in a report read by Adair Hickman of New York City. Mr. Hickman also reported the return of Christian Science lectures to the Orient after a war-enforced lapse of 11 years.

George Channing, Manager of Christian Science Committees on Publication, reported new progress in gaining legal recognition of the concept that the right of religious freedom includes the right to seek physical healing, in good faith, by spiritual means.

Noting the growing public interest in religion, Horace J. Carver, Publishers' Agent, disclosed that sale of the writings of Mary Baker Eddy, Discoverer and Founder of Christian Science, today are double what they were ten years ago.

John H. Hoagland, Manager of The Christian Science Publishing Society, reported that all-time peaks had been touched during the year in advertising lineage and circulation of The Christian Science Monitor.

Wilson school news

Miss Henrietta Klehm of Arlington Heights will teach the upper grades at the Wilson school next year. She will replace Miss Ruth Paulus who has accepted a position at the Mt. Prospect grade school. Miss Klehm will also be principal of the school, and Mrs. Magnussen will continue as teacher of the lower grades.

A baby boy, Robert Arthur, was born to Mr. and Mrs. Walter Hetzke May 25, at Sherman hospital in Elgin. Robert weighed 7 pounds, 15 ounces. He has a sister, Lois, and a brother, Roger. His grandparents are Mrs. Arthur Guenther and Mrs. Helen Hetzke.

The Clever Clover 4-H club and the Sewing Susies club held a bake sale last Saturday at Palmer's plumbing store. The next meeting of the 4-H club will be held June 21 at the schoolhouse.

Mary Kingsley, daughter of Mr. and Mrs. Duane Kingsley, has been elected secretary of the sophomore class of Arlington Heights high school. She also received a chorus letter in connection with the high school chorus of which she is a member. Mary is a graduate of the Wilson school.

Receives Award

Arlington Heights high school held their Honors assembly May 29, and parents of those receiving awards were invited to attend. Mary Lou Moskal, daughter of Mr. and Mrs. Frank Moskal, received an award in recognition of her dramatic ability. Among her many activities during her four years of high school were the following: G. A. A. 1, 2, 3, 4; Art club, 2; Biology club, 2; Sing Sing club, 2; Camera club, 3; Nurses Aid, 3 and 4; National Thespian society, 4; district speech contest, 4; regional speech contest, 4; senior class play; assistant director of the all school play, and participation in the Christmas program. Mary Lou graduated from Wilson school and will graduate from high school June 7. The Moskals will hold open house Sunday in honor of her graduation.

Martin Albrecht met with an accident last week on his son's farm in Crystal Lake, when he fell from a scaffold and injured his leg. He is recovering nicely and will soon be resuming his regular activities.

Gems of thought

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.
—Proverbs

Never absent from your post, never off guard, never ill-humored, never unready to work for God,—is obedience; being "faithful over a few things."
—Mary Baker Eddy

Nothing can be great which is not right. —Samuel Johnson

There is no reason, because we are perplexed, ever to despair.
—Thomas Guthrie

Though we travel the world over to find the beautiful, we must carry it with us, or we find it not. —Emerson

IT'S HEATING MAGIC WITH THE NEW BLEND-AIR by CENTRAL HEATING
Coleman
This floor plan shows how you can completely and scientifically heat a five-room home with only six magic Blenders.
KIT. UTILITY BATH B.R.#2 DIN. LIV. B.R.#1
EVEN COMFORT FLOOR TO CEILING—LESS HEAT WASTE WITH NEW 3½" DUCT SYSTEM
THE MAGIC BLENDER
BLEND-AIR circulates and RE-circulates warm air in each room! The magic Blender in each room automatically sucks cool air out of the room, heats it with fresh warm air from furnace, RE-circulates it through the room. No packing of hot air at ceiling. Constant circulation keeps room temperature uniform from floor to ceiling. Automatically controlled! It means more comfort—a better heated home!
NEW! Money-saving advance in automatic heating! It's the new scientific way to heat every room evenly! Big savings in (1) new low-cost ducts, (2) new standardized fittings that save on installation. BLEND-AIR fits any home—old or new, big or little, with or without basement. All parts factory-made to assemble easier and cost you less!
NEW! Saves space, saves work, saves cost! Put the space-saving BLEND-AIR furnace anywhere—basement, kitchen, or utility room. It's tidy, quiet, automatic. Made by Coleman, world's largest manufacturer of home heating equipment. A new way to give your home even circulated warmth!
No money down.... Pays for itself in comfort and economy
3½" WARM AIR DUCTS
Heating magic takes place in the Blender. Hot air from furnace blends with room air, then circulates it through room.
Modumatic Furnace takes fresh filtered air from outside; heats it and forces it through individual 3½" air ducts to Blenders.

Campus Capers

At Illinois Tech

One hundred and three northwest side students are among the 593 who will receive degrees at 8:15 p. m. June 8 at Illinois Institute of Technology's commencement ceremonies in the Opera House.

Dr. Preston Bradley, pastor of the People's Church of Chicago, will deliver the commencement address.

Dr. Henry T. Heald, president of Illinois Tech, will confer the degrees.

Those receiving the degree of bachelor of science include John R. Quay, of Palatine, in architecture.

At Illinois in Chicago

Donald J. Lussman, 540 S. Evergreen st., Arlington Heights, is a candidate for the degree of master of science at the University of Illinois in Chicago.

Commencement exercises for the Chicago Professional Colleges of the University will be held at 2 p. m. Friday, June 15. Gov. Adlai E. Stevenson will deliver the commencement address.

At Carroll

Allen Leslie Christian of Mt. Prospect was among the 143 candidates for graduation from Carroll, Waukesha, Wis., Monday, June 4. One hundred men and forty-three women received bachelor degrees in the commencement exercises in Waukesha's Horeb Spring park.

Commencement speaker was Melvin J. Evans, prominent industrial engineer from Chicago, who also was awarded an LL.D. degree by the college. The D. D. degree was conferred upon the Rev. Clarence E. Showalter, minister of the Austin Westminster Presbyterian church of Chicago.

At Evanston

Miss Audrey J. Fiddler, daughter of Mr. and Mrs. R. L. Fiddler, 304 N. Haddow, Arlington Heights, a sophomore at National College of Education helped other sophomores form the traditional hundred foot Daisy Chain honoring the seniors at the Commencement exercises June 6.

At Elmhurst

Two Bensenville students were candidates for the degree Bachelor of Arts from Elmhurst College. They are Richard Thomas and Frank Foster. Degrees were to be conferred June 3 in ceremonies beginning at 3:30 p. m. on the college campus. Dr. Ruth Seabury of Boston addressed the 116 members of this year's graduating class.

At Choate

Peter S. Hearst, son of Mr. and Mrs. Jack W. Hearst, Hobby Hill, Palatine, was elected to the Press club of the Choate school, where he is a member of the junior class.

Peter is also active as a member of the choral club, the western club and the basketball squad.

At Illinois in Chicago

Richard J. Ristow, 517 N. Fairview, Mt. Prospect, is a candidate for the degree of bachelor of science in pharmacy at the University of Illinois in Chicago.

Another Mt. Prospect resident, Miss Jane L. Merrill, 107 N. Pine st., is a candidate for the degree of bachelor of science in occupational therapy.

Commencement exercises for the Chicago Professional Colleges of the University will be held at 2 p. m. Friday, June 15. Gov. Adlai E. Stevenson will deliver the commencement address.

In California

Now stationed in California is Bill Lathen of Arlington Heights. Going into service April 1, he was stationed at Glenview until his present transfer. His address is Wm. A. Lathen, 259-58-36, Va-728, NAS Alameda, Calif.

At Marquette

Lawrence J. Stejskal, 420 S. Center st., Bensenville, is among candidates for degrees at Marquette University, Milwaukee, Wis., who will participate in spring commencement exercises there.

He is candidate for the degree of bachelor of science in business administraton. A member of the Naval Reserve Officers Training corps at the University, he also will receive a commission as an ensign in the US navy during the commencement program.

He is associated with Anchor and Chain NROTC society and with Delta Sigma Pi, international commerce fraternity.

Marquette's commencement exercises will be conducted in the Milwaukee Auditorium in Wednesday night, June 13, with the Very Rev. Edward J. O'Donnell, S. J., university president, conferring degrees, diplomas and certificates on a senior class of 997 candidates.

The commencement address will be delivered by the Rev. Martin C. D'Arcy, S. J., of Oxford, Eng., former master of Campion hall at Oxford university and one-time head of the English province of the Jesuit order.

Commencement week festivities will be opened with the senior-faculty cap and gown procession at 2:30 p. m. on Sunday, June 10, followed by baccalaureate services in the Gesu church at 3 o'clock.

At Colorado

A near record-breaking graduating class of 1,800 will receive degrees during the University of Colorado's 101st commencement this June. Last June's class of 2,100 was the largest in university history.

Dr. Ralph Bunche, winner of the Nobel Peace Prize in 1950, will be commencement speaker and will be awarded an honorary Doctorate of Law degree.

Commencement ceremonies will start at 10 a. m. Saturday morning, June 9, in Folsom stadium and will be open to the public.

For the third year in a row, the wives of graduating seniors will be honored in a special ceremony in Macky auditorium the night before commencement. About 265 wives will be awarded PHT (Putting Hubby Through) degrees.

Among the graduates is Mary Jean Morrow of Arlington Hts.

At Northwestern

Northwestern's Deering Meadow in Evanston will be the scene of colorful Centennial Commencement ceremonies at 11:30 a. m. Monday, June 11. A total of 3,443 young men and women — one of the largest groups in the University's history —will march across the tree-shaded campus in traditional cap and gown to receive their degrees and diplomas

At Monday's ceremonies degrees will be conferred upon both Evanston and Chicago Campus graduates of all twelve schools of Northwestern University, as well as upon graduates of the affiliated schools of nursing of Wesley Memorial Hospital and Evanston Hospital.

Candidates for degrees include:

Arlington Heights:

William Charles Beckman, 127 S. State rd.—Master of Arts.

Harry Martin Brumlik, Jr., 823 S. State rd.—Bachelor of Science.

Gladys Jean Busse, Busse rd.—Diploma of Graduate Nurse.

Phyllis May Carter, 1002 N. Beverly Lane—Bachelor of Science.

Robert Leon Nowicki, 622 Dryden Pl.—Bachelor of Science in Business Administration.

Bensenville:

Joseph Allen Monk, 108 W. Grove—Master of Arts.

Mt. Prospect:

Robert Arthur Claus, 106 N. Lancaster st.—Bachelor of Science.

George Gilbertson, 9 S. Wapella—Bachelor of Science in Business Administration.

Robert Loren Shanley, 305 S. Hi-Lusa—Bachelor of Science in Business Administration.

Alfred Charles Stier, 109 S. Emerson st.—Bachelor of Science in Speech. (Completed work in March, 1951.)

Northbrook:

John Martin Bachar, Jr., 2010 Walter ave.—Bachelor of Science.

John Paul Bartelme, 1611 Shermer ave.—Bachelor of Science in Speech. (Completed work in March, 1951).

Donald Eugene Dahlberg, 1026 Angle—Bachelor of Science in Mechanical Engineering.

Patricia Ann Fulton, Sunset Ridge rd.—Bachelor of Science in Speech.

Russel Paul Hacker, 1512 S. Shermer rd.—Bachelor of Science in Chemical Engineering.

Earle J. Hancock, 2144 Woodlawn rd.—Master of Science.

Lowell F. A. Peterson, 1037 Hillside rd.—Doctor of Medicine.

Melvin Norman Petersen, 1037 Hillside rd.—Bachelor of Science.

Palatine:

Charlotte Stephena Huck, Creekside Farm—Master of Arts.

John Marion Jordan, 165 E. Chicago ave.—Bachelor of Science in Education.

Edward John Kinsch, 316 Johnson—Bachelor of Science in Business Administration.

Leo Michael Kinsch, 316 Johnson—Bachelor of Science in Business Administration.

Robert Creighton McWilliams, 156 S. Forest ave. — Doctor of Philosophy.

Carol Lois Miller, Algonquin rd.—Bachelor of Music.

Carol Joan Warwick, Inverness —Bachelor of Science.

Prospect Heights:

Byron Benord Bohrer, 100 Clarendon—Bachelor of Science in Chemical Engineering.

At Monmouth

Miss Bonnie Peterson was chosen the outstanding freshman woman at Monmouth college at a tea last week honoring freshman students. She was presented with the silver Tau Pi Trophy by Pat Clark, president of the senior woman's honorary fraternity. The award is based on scholarship, activities and character. The selection is made by the senior women.

Miss Peterson has served as an officer of the freshman class, treasurer of her dormitory, student council representative, and president of Crimson Masque (dramatics). She was recently invited to membership in Dolphin (swimming club) and was a member of the operetta cast. She has been active in athletics and was a Varsity cheer leader this year. She is a member of Kappa Kappa Gamma national sorority.

Bonnie, a primary education major, is the daughter of Mr. and Mrs. Arthur Peterson of 207 Douglas and a 1950 graduate of Arlington Heights township high school.

Farm Buildings

Buildings without rat proof foundations should be set at least 18 inches above the ground.

At Dubuque

Among 135 students receiving degrees from the University of Dubuque at its 99th commencement exercises Friday, June 1, was Gus A. Ladas, son of Mr. and Mrs. Andrew G. Ladas of 213 S. Ridgeland ave., Arlington Heights. Mr. Ladas will receive a B. A. degree.

The Rev. Theodore F. Romig, now with the International Missionary Council and former missionary to China, delivered the commencement address. Seniors were honored at a Parents Day dinner immediately following the ceremonies.

At Cincinnati

Miss Eleanore Dahms, of Arlington Heights, junior at the University of Cincinnati College of Applied Arts, received a $50 scholarship award at the university's annual Honors Day convocation.

The scholarship, awarded by the university's chapter of Delta Phi Delta, was made on the basis of worthiness and high scholarship.

A graduate of Paris, Ill., high school, Miss Dahms is the daughter of Mr. and Mrs. Walter R. Dahms, 401 N. State rd., Arlington Heights.

At Oklahoma A&M

Eleanor Elizabeth Mair, 332 N. Benton, BS in Arts and Sciences was among the 1,179 candidates receiving degrees in Oklahoma A. & M. College commencement ceremonies May 28.

The graduating seniors and candidates heard a commencement address by Dr. H. G. Bennett, A. &. M. president now heading the government's Point Four program.

Although he has personally handed out thousands of diplomas to his Aggies, this spring marked Dr. Bennett's first graduation address at A. & M.

At Beloit

Dale Williams, Beloit college senior from Arlington Heights, was awarded $37.50 for his work with another student on a chemistry research project at the school. The paper was entered in the Walter S. Haven Prize Contest for science students. The son of Mr. Paul G. Williams, 837 S. Chestnut, he is president of his class, former president of SAE fraternity, and was president of ODK leadership fraternity.

At Valparaiso

Elwood Haake, son of Mr. and Mrs. L. A. Haake, 217 Elmhurst ave., Mt. Prospect, recently participated in a field trip sponsored by the department of business and economics at Valparaiso university for students taking courses in speculation and investments.

The field trip included a visit to the Chicago Board of Trade, a brokerage firm, and the Midwest Stock Exchange.

At Cincinnati

Miss Eleanore Dahms, of Arlington Heights, is the new treasurer of the University of Cincinnati Glee club for the 1951-52 school year. Officers and board members were installed Saturday at the club's annual spring banquet in the Rookwood Room of the Hotel Sinton.

Miss Dahms, junior in Cincinnati university's College of Applied Arts, is the daughter of Mr. and Mrs. Walter Dahms, 401 N. State rd., Arlington Heights.

At Illinois in Chicago

Quentin F. Skoulund, 158 Center st., Bensenville, is a candidate for the degree of bachelor of science in pharmacy at the University of Illinois in Chicago.

Commencement exercises for the Chicago Professional Colleges of the University will be held at 2 p. m. Friday, June 15. Gov. Adlai E. Stevenson will deliver the commencement address.

Four hundred and thirty-one degrees in the health sciences will be conferred by President George D. Stoddard at the exercises.

At Lake Forest

Charles W. Stadell, Jr., son of Mr. and Mrs. C. W. Stadell, 416 Fairview, Arlington Heights, will be among the June graduating class of Lake Forest College, Lake Forest, Ill. There will be 143 in the graduating class.

At Augustana

Shirley M. Wagoner, daughter of Mrs. Mary Wagoner, 35 W. Slade, Palatine, was among the 300 members of the class of 1951 scheduled to receive degrees at Augustana college's 91st annual commencement Monday at Rock Island. The annual Alumni Day was Saturday, June 2.

Shirley received a Bachelor of Science degree.

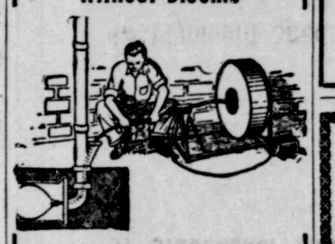

NOT FOR PROFIT

Arlington Heights Woman's Club, 214 W. Fremont St., Arlington Heights, Ill.—Vera Noyes, Ruth Ewert, Mary Haase. For civic, charitable and educational purposes. Corres. Mrs. Milton C. Haase, 1007 N. Ridge Ave., Arlington Heights, Ill.

Way Back When

Our Aim: To Fear God, Tell The Truth, and Make Money

Mt. Prospect gets a water works plant for $9000; Seven Busse families donate town's first park area

The fourth installment of the William Busse series was partly gathered from early minutes of the village of Mt. Prospect which was incorporated in the spring of 1917 following an election held February 3 of that year.

Election of officers had to await the actual chartering of the village by the state and the first election for trustees was held April 17, 1917. A public caucus had placed in nomination these men, who were elected without opposition.

President William Busse; clerk, Henry J. Ehard; trustees, Henry Haberkamp, J. W. Pohlman, L. C. Busse, H. L. Wuerffel, Ernst Gosh and Henry Beigel.

The second ordinance adopted provided for the licensing of dram shops. The two tavern keepers voluntarily made such license fee retroactive to the date of the election establishing the village. They made donations of $104 each, which was the first money to be received by the village.

•

With the organization of the village the municipality shouldered some of the previous responsibility of the Mt. Prospect Improvement association and the first bill paid was $63.46 to that organization for two months lighting of streets by 19 lights at $20 a year. Also, among the early purchases made were stars for the eight members of the board.

•

The Chicago Telephone company refused to accept the first franchise passed by the board because the village retained the right to string police and fire alarm wires on the poles.

An agreement was later reached, but when it was discovered that Mt. Prospect people were required to pay $2.00 a month for phones on an eight-party line while farmers only paid $1.75, a strong protest ended in a promise by the Telephone Company to reduce the rate as soon as additional wires could be strung.

There was soon a waiting list for telephone service and the village was promised relief as soon as a cable could be strung from Arlington Heights.

•

An attempt to construct a garage opposite the school house was nipped in the bud by the passage of an ordinance prohibiting that trade within a specified distance of any school or church.

•

FIRST APPROPRIATION ordinance placed police protection at $100 for the year, fire protection the same amount, but provided $400 for street lighting, $300 for health and drainage, bridges and sidewalks $200 and salaries at $350. The members of the board did not individually get much for their labors as a year's pay for members and the mayor was usually not over $21.

The major requests coming to the board during those early years were permits to lay storm water drains. There was no such thing as septic tanks and every house had a little "shanty" on the rear of the lot.

•

THE VILLAGE was not six months old when the Improvement association suggested that the municipality purchase its electric light plant for $1,100. The village dads were friendly to the proposition but before definite action was taken, a company was formed to "take over."

•

Albert Busse appeared before the village board November 5, 1918, asking its assistance in the purchase of a fire engine at a cost of $1,875. Public donations had totaled $880. The village board told the firemen to go ahead with the purchase and contributed $100 and purchased a rope with which to ring the fire bell which was above the Wille hall. The fire engine was stored in Busse garage at $5 a month.

The meetings of the village board at $2.00 each were held in the Wille hall, which had been built from lumber from the Wille creamery constructed in 1880 and demolished in 1910. The hall stood at the northwest corner of Northwest Highway and Wille st. Part of the original building is included in the present Wille business block.

•

IN 1919 BUSSE brought the first paved road to Mt. Prospect. In those days the county selected the road to be improved and the paving expense was split between the county and state. Commissioner Busse saw to it that his home town was placed on the paving program resulting in the paving of Central road. At the suggestion of the commissioner, the contractor offered to pave, at a modest cost, Main street, 18 feet wide, from Central road south to the railroad.

The village board was told that the cost of graveling the road would equal 25% of paving cost and agreed to pay that amount as its share of paving costs. Adjoining property owners paid the balance.

The village minutes of the early 20's mention the appointment of Friedrich Krohn, Albert Gahl and Louis Mecklenberg as special police. When Wm. Busse was asked their duties, he replied, "the only duties they performed that I recall were on Hallowe'en nights.

•

SEVEN MEMBERS of the Busse family had formed a realty company and purchased the Rooney farm of 130 acres, west of the church property. Village minutes record that on April 5, 1921, they dedicated three acres for a public park, with the provision that it be used only for recreational purposes. The signatures to the deed were William Busse, Louis C. Busse, Edward Busse, George Busse, Louis F. Busse, William Busse Jr., and Albert Busse.

•

Establishment of license fees for business houses and vehicles did not prove popular and in 1922 the regular ticket was overwhelmingly defeated by a ticket that elected Henry Clausing, Herman Heide and Charles Mecklenberg as trustees.

In view of the election result the last act of the old village board was the repealing of two licensing ordinances.

When the new board took office, President Busse asked the new members what they were going to use for money to operate the village. The new members saw the need of the license fees and the two ordinances, that had been discarded two weeks earlier, were re-enacted.

•

UNTIL THE spring of 1922, present Main st. was only two blocks long, Central road to the railroad. On October 4, 1921, the village board directed President Busse to enter into negotiations for the extension of Main street to Central rd.

The village had little money to pay for right-of-way, but the village president was determined that the road should go through. He modestly refuses to admit that it was his money that acquired most of the right-of-way.

•

MT. PROSPECT experienced one of its worst fires in August, 1921, when the Jahnke store on Emerson st. south of the railroad was burned. The village board passed a resolution of appreciation to Mrs. Zelda Bennett, night telephone operator, for her summoning Arlington Heights and Des Plaines fire departments.

The village minutes of that time include a notation that the City of Chicago had passed an ordinance fixing a charge of $20 for the first hour and $15 for each additional hour that Chicago fire fighting squad helps out a neighboring suburb.

•

WATER WORKS had their beginning in the winter of 1922 when a $9,000 bond issue was approved by a vote of 95 to 23 for the purpose of acquiring a site, drilling a well, installing pump, erecting a building and a 90 foot water tower.

Three sites were offered, the most feasible one being the present site of the tower. Its price was higher than the others offered, but that difficulty was overcome by the donation towards its purchase of $100 each by Wm. Busse Jr., Busse Land Co., Wm. Busse & Son and Meier & Busse.

The cost of the improvement was well drilling, $1,900; water tower, $4,400; pump, $2,500; building, $2,200.

It was the same year that the Northwestern agreed to open Main street crossing, provided that Elmhurst crossing be closed.

The construction of water mains by special assessment followed.

Next week — The Northwest Highway arrives.

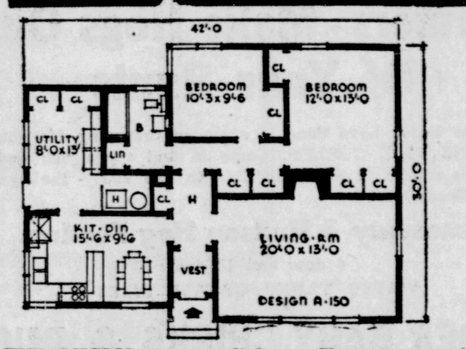

LeRoy Liss studio

Congressman Church, guest of honor, congratulating Commissioner William Busse, also an honored guest, at the 50th anniversary of the Benjamin Electric Co., Des Plaines, Monday afternoon.

New Ideas in Homes

THE ANGLIA has the living room and kitchen facing the front of the house with the two bedrooms and bath in the rear opening into a small hall. Adjoining the bathroom and kitchen is the utility room with an alcove for the hot water heater and furnace.

The first floor is an insulated concrete slab laid on either a gravel or cinder fill, to be covered with composition flooring or carpeting.

Closets are provided for in the hall, bathroom, all bedrooms and in the utility room.

Plans call for frame construction, insulated walls and ceiling, wide siding and asphalt shingles.

Dimensions are 42 feet by 30 feet. The floor area is 1,162 square feet, with cubage being 14,525 cubic feet.

For further information about THE ANGLIA, write the Small House Planning Bureau, St. Cloud, Minn.

Weekly recipe

About this time each year, most of us homemakers are giving at least one tried and true recipe to a June bride. With this in mind I would like to contribute a recipe which will assist our new brides in establishing their reputations as good cooks. Pecan whole wheat muffins are just as good as their name sounds and can be served for breakfast, luncheon, or dinner.

Pecan Whole Wheat Muffins

1 cup whole wheat flour
1 cup all purpose flour
4 tablespoons sugar
3 tablespoons baking powder
1 cup chopped pecans
2 eggs
1 cup milk
1 teaspoon salt
4 tablespoons butter (melted)

Method: Sift the flour, baking powder, sugar and salt. Stir in the whole wheat flour and nuts Combine the other ingredients. Mix with the first until all is moistened. Bake in greased muffin tins 15 to 18 minutes in a 375 degree oven.

In the future

One of the nation's largest meat packers plans to introduce a line of "low sodium" meat products, including beef stew, chile con carne and beef hash, within 30 days. They are aimed at persons requiring self-free diets . . . with summer coming up, golfers will be interested in the Water Mashie, a telescoping aluminum rod with a small net on the end, designed for retriving golf balls driven into a water hazard . . . and home gardeners will like a new lawn trimmer with a foot stirrup, making it possible to use the whole weight of the body to trim lawn edges neatly and with little effort . . . for the swimming vacationer, a Yonkers firm is merchandising an inflatable emergency life preserver that doubles as a support for swimming pupils . . . latest "first aid" for the cluttered medicine cabinet is a plastic device for holding all kinds of tubes.

★ **MOSQUITO DOPE**

The mosquito crop seems to be doing fine this spring, and folks are wondering how they are going to live through the season with the little pests after them in the garden, on the lawns, at ball games and everywhere else they go.

There are lots of mosquito dopes that are supposed to keep the pests away from a person, but in a lot of cases the cure is worse than the disease, and the odor of the preventive is enough to drive the user farther than it does the mosquitoes. There is a new dope that really seems to help, and it's entirely odorless and doesn't damage clothing. It's a commercial preventive for not only mosquitos but also for chiggers and other insect pests; known as 6-12, it has given relief to many people who never could find anything to keep the pests away.

We presume it can be purchased at a lot of places, but we know it can be obtained at Lena's Palatine drug store.

★ **BLUE LAWS**

In its eagerness to reform every one in Florida, the legislature of that state has passed a law that goes back beyond the old "witch hunting" days. If that law is signed by the governor, it will be illegal to have in one's possession any paper or leaflet that has anything to do with racing information, and that includes daily newspapers.

Bill DePue has been trying for a long time to get us to make a trip to Florida with him, and we were seriously considering doing that very thing some time, but now we think we'll stay out of Florida.

We like to read the daily papers and we might chance to have a copy of a Jacksonville or Miami paper in our pocket some morning, and we don't want some cop to come along and toss us into the lock-up for possessing racing information, and that's just what could happen if that paper happened to have any race entries or "morning line" in it.

Years ago we saw a ball game at Mobile, Ala., called on account of darkness with the sun shining brightly. They had a blue law in Alabama that prohibited playing baseball after six o'clock on Sundays, and six o'clock had come and a red hot extra inning game was called on account of darkness, the darkness of the state's "blue law."

We thought that was about the limit in "blue laws," but this Florida thing where a person can be arrested, fined and jailed for having a daily paper in his possession that has any racing information in it is really the limit. No, we think we'll stay a long ways from Florida, because we like nothing better than to see what Harry Truman is going to do next.

★ **WHISPERS**

We heard a fellow at a recent village board meeting wondering why the board had a public meeting when they spent most of the time whispering among themselves and discussing subjects so quietly the audience couldn't hear what was going on.

Well, boys, why do you do it? The public wants to know and this fellow didn't think it was much of a public meeting with you fellows on the platform conducting a whispering campaign.

★ **THE DUMP**

That Palatine rubbish dump is sure an unsightly place, and the public has made it a lot worse by abusing it in not confining the refuse they put there to rubbish.

Garbage, dead dogs, cats, rabbits, etc., can't be classed as rubbish, yet all of that refuse has been dumped there and usually on the road side, not back on the official dump. It's no wonder that the village officials are peeved and are going to fence it off and allow dumping at a certain fee or by special permission only.

Anyone caught dumping on the street right-of-way is subject to heavy fine, and one of these days somebody is going to really get "hooked" for abusing any privileges the dump might have offered them, if the dumping public had behaved itself and been reasonable.

It's no wonder residents of the area are complaining about that dump; the wonder is that they don't complain louder and apply for an injunction to stop the nusance.

★ **LATE FIRES**

The sudden changes in weather from hot to cold still continue, and people are having to build up furnaces and turn on heat even if it is June. It begins to look like another one of those seasons where we'll be having a fire some time or another during every month in the year, as was the case last summer with its cool changeable weather.

★ **GARDEN CENTER**

Everything seems to run to "centers" these days. There are music centers, clothing centers, food centers, and so on down the line, so why not a garden center.

That is just what R. C. Knupper, the Rand rd. nurseryman, has out there at his place—a garden center. Mr. Knupper, or we should say "The Knuppers" (because the Mrs. is as big a cog in the wheel as the boss himself), have just about everything a gardener or flower grower could want.

There are vegetable and flower plants of all descriptions, tools of every imaginable kind, for the garden, flower beds and lawn. Fertilizers, insecticides for the control of garden pests, flower and vegetable seeds, lawn and veranda furniture—just everything a fellow could conceivably want around the house.

The trouble is that when a person gets into that garden shop of the Knupper's he finds so many things he thinks he should have that he doesn't know where to quit. Yes, if it's a garden center you're looking for where they literally have "everything" for the garden, you'll find it at Knupper's out there on Rand rd.

★ **REDEEMED**

Well, those two baseball teams, the Arlington Red Winds and the Palatine Motors, have redeemed themselves, and it didn't take them long to do it. After those two terrible games a couple of weeks ago, the boys came back strong. The Motors, showing a vastly improved game, downed the Palatine Theater in a game where the Motors not only put up a beautiful defensive game, but also came to life with their bats.

The Red Wings came back and, although they got beaten by Cicero, 6-5 in a fine game, played heads up ball and got themselves back in the good graces of the fans. We knew that both teams could do it, and they did right fast. And while we are on the subject of ball games, the folks who stayed home last Thursday night and missed the second in the Palatine soft ball league, missed a couple of as good games as will probably be played all season.

Mt. Prospect, with another fast, snappy team this year, shut out Skokie, 2-0 in a game where each side gathered in only two hits apiece, and Riviera had to go all out to nose out Palatine Theater, 6-5.

Hapke, for the show house, pitched a nice game and kept his team in the running by slamming out a beautiful hit in the sixth inning to bring in two runs.

This league plays Tuesday and Thursday evenings, and there will be some fine games all season long.

★ **GIRL PITCHER**

More baseball—Jean Ladd, a young red headed lassie from Prairie View who pitched for the Palatine girls' softball team last season, has gone up to the big time. She is playing with the Kenosha Comets in a girls' league that plays what appears to be sort of a cross between softball and real baseball.

They use a ball slightly larger than a regulation baseball and throw overhand. It's almost like real baseball.

Jean joined the Comets as a pitcher and got her chance through the good offices of Frank Schultz, old time baseball player, manager and coach, who found her playing the outfield, made her over into a pitcher and got her to try out with the Comets.

Frank is enthusiastic about Jean's ability and her future. She is a sister of Jimmy Ladd, for several years with the Arlington Red Wings, who is now in Military service and who as a ball player is the property of the Cleveland Indians. Schultz says Jean will make as big a name for the Ladd family in baseball as brother Jimmy.

That girls' league is taking the folks up around Kenosha by storm, and the boys will have to look to their laurels with the popularity that the girls' league is receiving.

★ **A VISITOR**

Tony Dolatowski, who is traveling about 2,000 miles per month around Pennsylvania and New York as an inspector for the government, landed in Palatine last week in time to march with the Memorial day parade. Tony was home for over the holiday and says they are keeping him busy inspecting equipment for the military services. He is always glad to get home and get acquainted with the family again and prove to the boys around town that he isn't completely lost.

★ **FISHERMEN ARE HOME**

The boys who recently went up to George Kenyon's camp at Lake of the Woods, Canada, got home with glowing reports of the fine time they had and the wonderful fishing they enjoyed. In fact, the fishing was so good and the boys caught so many that they headed for home a day early.

The only incident that marred the trip was that "Buckets" Folkerts was sick when they got home and had to dive into bed and stayed there a few days, but Buckets got around again quick and was enthusiastic about the trip. He says he was a novice fisherman, but caught as many as any of the boys. One thing sort of disgusted Charlie; after playing gin rummy until the early morning hours one night the boys settled up and about $1.17 changed hands. Charlie found himself 4 cents ahead and thought that was pretty slim pay for all that time and loss of sleep.

Doc Mankenburg was happy in the fact that he was the champion bass fisherman of the outfit. Doc took along the trusty guitar and acted as chief entertainer and leader of community singing as well as being an expert on the wild life of the Canadian woods.

Roy LaLonde, besides catching his share of fish, told about dark funnel-like clouds that appeared over the hill tops that looked like a coming cyclone and turned out to be only bugs, mosquitos, gnats and other insects. Roy said they made a roar that you could hear all over the place; they covered the water, but they didn't bite (that's the kind of mosquitos we ought to have around here.)

On the way up Roy was telling the boys about a bear that crossed the road up in the Minnesota woods when he was with a surveying crew up there 20 years ago, but maybe it was the same old denizen of the woods coming out to give Roy a "welcome home" after being away for 20 years.

★ **GETTING READY**

Horses are beginning to arrive at Arlington Park for the opening of the big Arlington season June 18. The boys at the track are busy getting everything in shape for the opening.

The huge stands, the track, the park, the outdoor paddock, the stable area are all being cleaned and groomed for what promises to be one of the biggest meetings in years.

The Arlington card, always the finest summer racing card in the country, will have all of its old features again this year and once again the best racers in the country from the nation's greatest stables will compete at the Arlington Park meeting.

Everything is being put in tip top shape at the Park. They will be off and running Monday afternoon, June 18.

Graduation Peonies

As principal of Arlington Hts. township high school I wish to express my appreciation as well as that of the board of education, students and faculty, to Carl Klehm for the beautiful peonies used at the baccalaureate and commencement exercises at the high school.

I think I take it for granted too many times that Mr. Klehm will provide the peonies for our graduation exercises, and each time I am pleasantly surprised to know he is still thinking of today's youth as they step from high school to either college or start employment.

Leroy J. Knoeppel,
Principal
Arlington Heights
Township High School.

Stagecoaches

Now that "stagecoaches" are handlin' the mails in these hyar parts I reckon it won't be too long 'fore masked bandits start robbin' the postal carriers as they pound along the Northwest trail to Barrington.

Seems like we oughta enlist help from someone like "Hoppy" or the Lone Ranger before things git too serious.

Duke Dalton,
A Peace-Lovin' Hombre

Thank You

The Evening Guild of St. John's Episcopal church wishes to thank you very much for the publicity given them for their recent card party held May 17 in the Arlington Heights fieldhouse. It contrbuted greatly to the success of the affair.

Mrs. J. A. Beverly,
Secretary,
Arlington Heights.

Gets Results

I ran an ad in your paper for landscaping seven weeks ago and have received more than 300 calls. This certainly attests to the pulling power of Paddock Publications.

Spring Waters

Before making wells why not test our springs in Arlington Heights.

A spring near the Catholic church was so large that the sewer men pumped 300 gallons per minute and a flow of 100 gal. more per min. when the city was laying tile for our sewers. This spring, I think, has a capacity of 500 gal. or more per min.

There were two springs east of Stonegate on the south end about 40 rods apart which produced an enormous amount and caused a great deal of trouble again in laying the tile for the sewer. The man laying the tile said that he got a dollar a foot for laying it, but it cost him $5.00 on the account there was so much water.

At Tibbits & Cameron a building was to be erected and they had to pump 3 days and nights at 300 gal. per min. before they could put in a foundation.

Mr. Chas. Schwartz, deceased, said that the biggest spring was southwest of the Southside public school but because of his illness did not show it to me.

One town east of Marengo had two springs 30 feet apart and less than 15 feet deep and they could pump 1,000 gal. per min. out of each well at the same time.

Mr. Kraft north of Euclid had a 4 inch well that had a pipe 4 feet above the ground and another pipe on the level at right angles and the water squirted 1½ feet beyond the pipe. I got Henry Wilke and Art McElhose to use the switch method to locate the vein and they found it near the village hall. Then we dug the first well at the village hall 105 feet deep which produced 240 gal. against pressure and 350 gal. in the cistern under the village hall which is extra fine water. This took all of Mr. Kraft's water away. We gave him a one inch pipe to his home without charge, even though he was out of the corporation.

We had to send 2 gallons of water to the water dept. University of Illinois to be tested at three different intervals.

Why not test our springs instead of digging deep wells at a great expense?

George Klehm.

National Lottery

On April 3, 1951, a highly interesting meeting was held by the Town Meeting of the Air. Howard Whitman, author, traveller, newspaper man, and war correspondent in World War II, told how illegal gambling has rotted the foundations of our government and polluted our police departments.

Mr. Whitman proposed as a correction to this known and widespread evil a remedy which he described, "as American as Apple Pie." He proposed that a National Lottery be established under the leadership and authority of high minded public servants such as Senator Kefauver. The creation of such a lottery, he believes, would satisfy under wholesome conditions, the natural gambling instincts of our fellow citizens and at the same time pour profits into our public treasuries. Sales of tickets would be made at some proper government post such as the U. S. Postoffices, Banks, and State office buildings.

Failures of such lotteries in the past should not influence us against new and proper reorganization. Under the Kefauver type of leadership a national lottery could be not only an asset to our government but also satiate the natural instincts of our fellow citizens for gambling.

Bensenville

Thank You

The VFW and its auxiliary would like to thank the people of Arlington Heights and Paddock Publications for the generous support given them on this year's Poppy Day. The receipts received will enable us to do more for the veterans in the nearby hospitals.

Commander David Heinemann, Veterans of Foreign Wars, Arlington Heights Post 981.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

The most important person in all the world to yourself is—you. You could listen to the praises by others, hear them speak of your fine qualities for hours on end, and never grow tired. You could even talk about yourself, the problems you have, what you think about this or that person, this or the other thing, tirelessly.

And so, when you try to make a good impression on other people, you quite naturally think that you can do it by reciting to him many of the things you have done, by impressing upon his mind the fact that you have read the right books, attended the right schools, know the right people. You manage, tactfully you think, to let him know that you are an important person, doing important work. When you have finished with a recital of your virtues and abilities, you are sure that you have impressed him or her well, that you have convinced him that you are IT!

But have you?

Now comes the astounding relevation that 90 per cent of what you have told the other person about yourself, unless he is an unusually observant person deeply interested in others, will be forgotten in half an hour —forgotten completely and forever!

"Impossible!" you may object. "Why shouldn't people be interested in me?"

And the answer is that other people, like yourself, are interested mostly in only one person —themselves.

Suppose that instead of talking about yourself when you wish to create a good impression, you lead the other fellow to do the talking. Suppose you listen to the story of his life with an appearance of interest, that you really make an effort to remember most of the important things he has told you about himself and suppose the next time you meet him, you remind him tactfully that you were greatly interested in what he said, and his opinions and life were certainly very well formed and adjusted.

What happens? Your friend will tell his friends what a wonderful person you are, and what a good conversationalist, intelligent human you are. He will remember you with a warm feeling in his heart. He will be interested in you, ready to listen to your side of the story, eager to know more about you — because he wants you for a friend. All because he thinks you appreciate him, because you have given him some recognition — the thing that most of us are hungering for.

Talking to others about yourself creates dislike, often resentment. Talking to others about themselves creates friendship. It almost always works.

Can You Tell Me...

Washing vs. Paper Cleaning

Do you think it possible to do a decent job of washing or should wallpaper cleaner be used?

It is rather difficult to tell, whether or not wallpaper will stand washing. You can try a small section of the wall, selecting some inconspicuous spot, and see what happens. Add one or two heaping tablespoons of trisedium phosphate to a gallon of hot water. Apply this to a section of the wall, allow it to stand for a few minutes, and then try to remove the dirt with a circular motion of the sponge. After the dirt is off, rinse the surface thoroughly with clean water to neutralize the alkali. If the washing of this section turns out satisfactorily, it would seem safe to wash the rest of the surface. If, however, it is not satisfactory it would be better for you to use wallpaper cleaner.

2 new findings help whip horse fly problem

Two new discoveries, now available to Cook County farmers, look like they'll go a long way toward whipping the horse-fly problem on our dairy and beef catle, says Farm Adviser Carl F. Mees.

One discovery is that these new activated pyrethrin sprays would knock out most horse flies, and the other was development of a low-cost, automatic sprayer for applying pyrethrins to beef cattle in the field.

Dairy cows are sprayed as usual in the barn. And the automatic sprayer is the first practical method of spraying beef cattle on pasture to control horse flies. The cattle merely walk through a chute on their way to water or salt and step on a treadle which starts the automatic spray mechanism to working.

THE SPRAY used is an activated pyrethrin, 1 per cent pyrethrin and 10 per cent piperonyl butoxide. As little as 1/15 ounce per head per day of concentrate spray was used on dairy cattle, and 1/30 ounce on beef cattle.

Cost of the material is about 1-2 cents per animal per day, reports the adviser. Except for the chute, cost of building the sprayer should be less than $25.

The automatic sprayer was invented by W. N. Bruce, insect specialist in the Illinois Natural History Survey, and tested in cooperation with R. J. Webb, Dixon Springs Experiment Station, and farmers.

AS FOR GAINS from spraying, butterfat production on sprayed cows jumped 3.2 pounds per cow during two months of treatment, while production in unsprayed herds dropped off 1.7 pounds per cow during the same period.

For beef cattle, 10 head each gained 20 to 30 pounds more during a 38-day period than unsprayed animals. These weight gains are striking, but they only cover a short test period.

You can get complete details about the automatic sprayer to control horse flies from the farm adviser or the Illinois Natural History Survey, Urbana. Ask for Biological Notes No. 24.

Creep feed rations must be palatable

Creep feed rations need to be palatable.

R. J. Meade, assistant in animal science at the Illinois College of Agriculture, says you should make them palatable so that pigs will eat more and grow faster.

Fifty sows and litters have been used in test at the University of Illinois to study the value of various creep rations. Comparison was also made between the palatability of the feeds and rations when they were fed free choice to suckling pigs.

THE FIRST TEST compared the value of hulled oats and pig supplement fed free choice with a creep ration of a dry "synthetic milk." The pig supplement consisted of 48 pounds each of dried skim milk and solvent soybean oil meal (50 per cent crude protein), three pounds of steamed bone meal and one pound of trace mineralized salt.

The pigs in the two lots gained at about the same rate. However, seven per cent less feed was required for each 100 pounds of sow and litter gain where the pigs were fed the "synthetic milk" ration.

TWENTY-SEVEN sows and litters were used in another test comparing the same hulled oats ration with a high-efficiency broiler ration and a mixed pig starter ration. Each group of nine sows and litters was pastured on 2½ acres of bromegrass pasture. Both the pig starter and the hulled oats rations proved more palatable than the broiler ration.

In still another test, pigs showed a definite preference for hulled oats. The pigs also seemed to prefer pelleted rations to the same rations in the form of meal. They ate mixtures containing molasses better than the same mixtures without molasses.

NEWS FOR THE FARMER

Carl F. Mees — Adviser and Editor

FRIDAY, JUNE 8, 1951

Scrap From Farms Will Help In Production of Defense Equipment

WANTED: All the iron and steel scrap that is lying dormant on farms, such as obsolete, broken and worn out equipment and other accumulated material. It is urgently needed to maintain and increase the output of steel plants and foundries. More scrap means more steel!

If steel mills and foundries are to achieve any increase in production over the present high level, all available farm scrap must be started moving off the farms, says the Committee on Iron and Steel Scrap, of American Iron and Steel Institute.

Farmers everywhere can help toward more steel by scrapping their obsolete equipment and selling it promptly to a local scrap dealer, with other iron and steel scrap from their farms. It will be used to make steel for defense equipment and essential civilian items.

The need is urgent. Steel plants and foundries are now using record quantities of scrap. Every day in 1951 about 98,000 tons of purchased scrap are being used. Never before have such large quantities been required. Even so the need will increase, for steel capacity is scheduled to rise sharply over the next year or two.

Farms have always been a good source of scrap and during the war when drives were conducted, agricultural areas yielded large tonnages of scrap to help win the conflict.

Farmers are asked to take their scrap now to town and sell it to scrap dealers. If the scrap is unusually bulky, preventing its easy transportation by the farmer, the scrap dealer can be called or arrangements can be made through the local farm agent to get it to the dealer.

Farms are one of the principal sources of the scrap that is required by steel companies and foundries. Auto wrecking yards, factories and railroads are among the other major sources.

More scrap from farms means more steel!

FFA wins second in Program of Work contest

The Arlington Heights chapter of the Future Farmers of America has won second place in the sectional Program of Work contest judged May 22 at Crystal Lake. There are sixteen schools in the section.

The winners were: Marengo high school, first; Arlington Hts. township high school, second; Barrington Consolidated high school, third; and Belvidere high school, fourth.

The Program of Work is the list of activities and projects that each chapter sets for the year. The accomplishments are judged on the amount of activities listed and the amount which are actually carried out. Last year, the Arlington chapter won first place and received a plaque with their name inscribed on it from the Illinois Bankers Association.

May 24, the sectional Dairy Judging contest was held at Cary. Kenneth Jacobson, junior, won ninth place out of a group of eighty who competed in judging.

Rye makes first-rate pasture for farmers

Ollie Voyles, Champaign County dairyman, surely likes his returns from early spring rye pasture.

C. S. Rhode, University of Illinois Dairyman, says that during April Voyles' 11 cows on rye pasture gave 2,470 pounds more milk with $103 less feed cost than they did in March.

Of course, you don't seed rye until early fall, but it provides excellent pasture for late fall and early spring. You'll be money ahead to seed some rye and thus stretch your pasture season with this low-cost feed.

REACH 40,000 READERS FOR $1

Check-list for judging how good is school

How good a school do your children go to?

Here are some questions from D. E. Lindstrom, University of Illinois rural sociologist, to help you answer that question. Nothing is more important than our youngsters, and schools affect their ideas, attitude, and mental growth in an important way. So—

Does your school have hot lunches, regular physical and dental exams, education for safety and accident prevention, and concern for the mental health of the children?

HAVE YOU a guidance program for personal, vocational, and hobby interests? Does your school provide for family life education?

Do you have an adult education program at school, including recreation, learning new trades, visual instruction, art and craftwork, and discussion of economic and social policies?

Do you have an adequate and safe school-owned bus transportation system? Do you have a fine school library?

DO YOU EMPLOY teachers on a 12-month basis and do they understand and sympathize with farm folks and their life? Do they understand and can they work with farmers' organizations, community, cooperative, and civic leaders? Have you made special arrangements, with proper compensation, to use some of your teachers in community work? Can they help on community self-analysis projects, night schools, and discussions on local, state, national and world policies?

Lindstrom says many of these services will cost little more for the service you get. For those requiring additional financing, have you gone as far in local support as the law allows? If so, have you developed the kind of state aid systems that will assure you and all other rural school districts in the state equalized support?

Does Dozens of Jobs Easier!

DANDY BOY

All-Purpose Garden Tractor

PLOWS • CULTIVATES • PLANTS SEEDS • DISC HARROWS • MOWS & ROLLS LAWNS • PLOWS SNOW • HAULS LOADS • SUPPLIES PORTABLE POWER

There's just no end to the number of utility jobs a versatile DANDY BOY garden tractor can handle for you. Yes, the moment you see one at work, you'll agree that there's nothing like a DANDY BOY for those *"extra"* chores around the farm, yard, or garden. Whether it's used as a tractor or as a portable power unit, DANDY BOY does more jobs *better and easier.* Feel free to call on us for a demonstration.

Warn farmers to be careful with tractors

Illinois farmers were cautioned today to be doubly careful while working with their tractors this month if they want to avoid serious or fatal accidents.

That warning came from John Lake, safety director for the Illinois Agricultural Association.

"June is one of the months when farmers use their tractors most," Lake said, "and that means they have the most accidents with this tool. For example, 18 persons were killed in tractor mishaps last year. This is the highest total for any month of the year."

Fourteen of these persons died when the tractors they were driving tipped over. Since tipping over is the biggest cause for tractor accidents, be careful where you drive your tractor, Lake declared. Driving through ditches is one of the biggest causes for tractors overturning, he said. Four other persons were killed when they fell off moving tractors.

"OF THE 18 persons killed in tractor accidents during June last year, 6 were children," Lake said. "This points up two things—it's a dangerous practice to let young children either to run tractors alone in the field or ride on tractors with somebody else. The best rule to follow is: Don't Let Children Ride On Tractors."

Other machines are also danger spots on the farm during June, according to the IAA safety director. The IAA is the statewide Farm Bureau organization with more than 183,000 farm families as members.

For example, one person was killed in a baler accident and two others died when run over by corn cultivators. In addition, six other persons were permanently injured in machinery accidents.

"There are many hazards on and around tractors and machinery," Lake said. "However, observing the common sense rules of safety will prevent many accidents."

Summer is poor time for cows to freshen

Summer is not the time to have your cows freshen. They give less milk and earn less profit by calving in the summer.

Leo Fryman, dairyman in the Illinois College of Agriculture, said it's far better to have your cows freshen from November through February. Cows that freshened during these months made 43 pounds more butterfat per year and $34 more over feed cost than cows that freshened during June, July, or August.

These were the findings from a recent study of dairy herd improvement association records in Madison, St. Clair, Clinton, Monroe, and Randolph counties. The winter-freshening cows produced 377 pounds of fat yearly compared with only 334 pounds for summer-fresheners.

State-wide DHIA records for 1950 show that cows that freshened during the winter returned $2.71 for each $1 spent for feed, as against $2.59 for summer-fresheners.

Green cockleburs poison livestock

It recently cost one Illinois swine raiser 12 pigs to learn that cocklebur seedlings are deadly poison to livestock.

So reports Dr. D. W. Pratt, University of Illinois veterinarian. He says now is the time when cocklebur seedlings are tender enough for livestock to eat—and they're deadly. As they grow they become less poisonous and less tempting to livestock.

A cocklebur seedling has a slender, whitish-green stem one to three inches tall. Capping this stem are two strap-shaped leaves, each about ¼ inch wide and 1¼ inches long.

You can be sure if they're cocklebur seedlings by pulling up a plant and looking for the burr from which the seedling sprouts.

Pigs and cattle are most often affected. If they appear weak, unsteady, or breathe rapidly, call your veterinarian immediately. Prompt treatment is important because untreated animals usually die within 12 to 24 hours after the symptoms first show up.

Dr. Pratt says the best way to avoid cocklebur poisoning is to rid your farm of these bothersome plants. If you can't do this, keep livestock out of infested pastures until seedings are less dangerous and not so tempting.

MADE IN THE SHADE

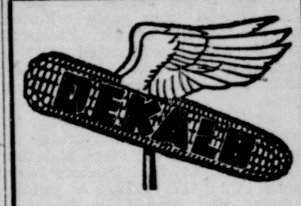

Help keep summer milk production up by providing shade for your dairy cows on pasture.

Milk payments

Cook-DuPage county dairy farmers received $17,214.65 for milk delivered to Bowman Dairy Company receiving stations during the month of April. Monthly figures are sent to this newspaper as soon as they are compiled at Bowman's general office.

CHICKEN FEED

Your chickens can make more money for you if you'll hatch your chicks earlier and produce most of your eggs during the last half of the year.

Notice to Corn Growers

Do you need some early DeKalb Seed Corn for late planting? I have some on hand.

Isolate and blood test to whip brucellosis

Isolation and blood-testing are the keys to preventing the spread of brucellosis in your dairy herd.

Dr. L. E. Boley, in the University of Illinois College of Veterinary Medicine, says you should isolate new additions to your herd even though they may have been tested before sale. The state law requires that the cow be tested and found negative within 30 days before the date of sale.

No matter how sure you are that a cow is not infected, there is always the chance that she may become infected between the time of the test and the time she comes into your herd.

If you have a clean herd, keep it clean. Dr. Boley suggests that you isolate all new cows and retest them within 30 days after purchase. If a cow is pregnant, isolate and retest her within 60 days after she calves.

Only after the newly purchased cow gives a negative reaction to the blood test should she be added to a healthy herd.

Whether or not your herd has brucellosis, isolate cows at calving time. An infected cow, which may breed normally and appear healthy, often gives off millions of Brucella germs each time she calves.

New lining adds 20 years to old silo

Thousands of wood silos on the farms of the nation need repair, due to erosion of the lining. Rather than tearing down their silos and putting up new ones, many farmers have discovered an economical way to reline them. They report their rebuilt silos are stronger, warmer and easier to maintain than the originals.

Two men, in two working days, can reline a wooden silo, and the cost of materials will range from $100 to $150, depending on the size, agricultural engineers say. Life of the structure will be increased by 20 to 25 years.

Used as lining are 4 by 12-foot panels of Masonite Tempered Presdwood, either three-sixtenths or one-quarter inch thick, depending on condition of the walls.

Preliminary to starting the remodeling, the silo should be straightened, if necessary. To get the panels into the silo, the farmer can use a wrecking bar to raise enough staves at the foundation to slip in the required number. For staging, he can use two extension ladders outfitted with a painter's scaffold, brackets and planks.

The Masonite panels are applied vertically, using cement-coated nails driven first through the center and then the edges. A space of approximately one-eighth inch should be left between panels. Batten strips of the same material, 2½ inches wide, are used to cover the joints. They should be set in asphalt roof cement before being nailed into place.

On completion, the new lining should receive two coats of coal tar or asphalt roof coating thinned with naphtha.

Because the tempered hardboard is moisture-resistant, the lining will prevent moisture from reaching the outer hoops. Strength of the panels will greatly strengthen the structure, making it more resistant to storms. Better silage will be made, and it will keep better, authorities say.

White grubs feeding, but there's no control

White grub worms will be feeding heavily for about two weeks during late May and early June, but at present there is no control measure to stop them.

So reports H. B. Petty, insect specialist in the Illinois College of Agriculture and Illinois Natural History Survey. He says you're especially likely to find white grub damage this year if you had trouble with the pest last year.

Grub damage was common last year in corn, soybeans, oats, wheat and clover. They feed on the roots and thereby slow down growth and cut yields sharply. Because of the insect's life cycle, little damage is expected next year but they may cause trouble in 1953.

Petty says tests are under way to develop some method of controlling white grubs so recommendations can be made in 1953.

USE 2, 4-D ON CORN

You can help remedy a bad annual weed or grass problem in your fields by applying a 2, 4-D pre-emergence spray after the corn is planted and before the first weeds come up.

Lessons In .... English

by W. L. GORDON

Words Often Misused

Don't speak of a newly married man as the "groom." A groom is primarily a man in charge of horses. Instead, always speak of the new husband as the "bridegroom."

Don't say, "The thug struck him over the head." Say, "struck him on the head."

Do not say, "All is not gain in this business." Say, "Not all is gain in this business."

Do not say, "I don't think we shall be able to attend." Say, "I think we shall be unable to attend."

Distinguish between "flaunt," which means "to display ostentatiously," and "flout," which means "to scoff at, or jeer."

Do not say, "You have seen most all the pictures." Say, "almost all the pictures."

Words Often Mispronounced

Placard (noun). Pronounce pla-kard, first a as in at, second a as in ah, accent first syllable.

Ad infinitum (without limit). Pronounce the a as in add, the first two i's as in in, third i as in night, accent fourth syllable.

Vagary. Pronounce first a as in ah unstressed, second a as in care, and accent second syllable, not the first.

Blase. Pronounce bla-za, first a as in ah unstressed, second a as in gay, accent second syllable.

Credence. Pronounce kre-dens, first e as in me, second e as in men unstressed, accent first syllable.

Petite. Pronounce pe-tet, first e unstressed, second e as in me, accent second syllable.

Words Often Misspelled

Fulfill, ul; fullness, ull. Chloroform; observe the chl. Final (adjective), last; finale (noun), concluding number of act. Plainness; two n's. Capital (city), al; capitol (building), ol. Villain, two l's; vilify, only one l.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Delusive; apt to mislead the mind; deceptive. "He was plagued by certain delusive thoughts."

Presage (verb); to foretell; predict. (Pronounce the verb presaj, e as in me unstressed, a as in sage, accent first syllable). "His dreams seemed to presage some joyful tidings."

Devolve; to transfer from one person to another. "They devolved their whole authority into the hands of the trustees."

Idiomatic; pertaining to an idiom, or language peculiar to a people. "The speech of the citizens of that state is distinctly idiomatic."

Circumstanced (adjective); placed in a particular condition. "The government was so circumstanced that it was powerless to make a move."

Deterrent (noun); that which prevents from action by fear of consequences. "The news acted as a deterrent to his plans."

Bits o' business

Civilians on the Federal payroll totaled 2,408,700 at the beginning of May, an increase of 46,900 since April 1, according to the Civil Service Commission . . . reflecting the currently tight labor market, employers in Pennsylvania are lowering their employee standards, according to the State Department of Public Assistance . . . New York and Philadelphia department store sales continued ahead of last year in the week ended May 26 . . . Canadian retail sales in the first quarter were 19 per cent higher than a year previous, according to the Dominion Bureau of Statistics . . . shipments of machine tools have climbed 50 per cent above pre-Korea levels, but orders have piled up at a considerably higher rate . . . sales of fertilizer declined 14.8 per cent in April in eleven states, reflecting tight supplies of basic chemicals.

RANCH STYLE

3 bedroom, 1½ baths, 1½ car attached garage, living room 23x14 with window-wall to rear of house, fireplace, 19' kitchen. Other desirable features such as roof covered front and rear entries, knotty nine kitchen cases, automatic dryer and washer hook up, an abundance of closet space with double sliding doors, attic storage space, combination radiant and circulated heat, 40 gallon automatic hot water heater, kitchen fan, and tile in bath. It is our opinion that this is the most efficient and attractive 3 bedroom house we have ever seen. Let us build this house on your lot for $19,500, firm contract. Let us show you one of these houses by appointment. Also other new homes ready for occupancy.

CARD OF THANKS

CARD OF THANKS

We wish to take this opportunity to thank Rev. Stephan, the Dorcas Aid and all our relatives and friends for their kindness and thoughtfulness shown to Mrs. Alma Meier during her long illness and our recent bereavement. We also wish to thank them for their lovely floral offerings and many memorial wreaths.
F. A. Meier and family.
(B-4

CARD OF THANKS

The kindness and sympathy of relatives and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts. The family of Frank Knigge.

Veterans cautioned not to write VA of insurance payment

"Do not write about the special dividend on National Service Life Insurance!"

This admonition has been issued again by the Illinois Veterans Commission to all World War II veterans holding insurance on which dividend payments are to be made this year.

Letters of inquiry will only delay payment, the IVC pointed out. When an inquiry is made the veteran's insurance file is removed from the dividend processing machinery.

Latest information coming to the IVC is that the first payments began in April and this was for insurance policies whose anniversary date was in the early part of January.

At the present rate of mailing a veteran can expect a lag of 3 to 4 months from the anniversary of his policy before receiving a check, the IVC said.

Limited information on the amounts to be paid on the various types of insurance policies can be secured from service officers of the IVC throughout the state.

National sales up

Sales for the four weeks ending May 19, 1951 of National Tea Co. amounted to $27,680,196 as compared with $23,366,020 for the corresponding period of 1950, an increase of 18.46%.

Sales for the year to date amounted to $139,967,906 as compared with $113,917,761 in 1950, an increase of 22.86%.

The number of stores in operation decreased from 652 in 1950 to 627 at May 19, 1951.

Jewel sales up

Jewel Tea Co., Inc. reports that retail sales for the four weeks ended May 19, 1951 were $16,190,467, an increase of $1,714,314 or 11.8% over corresponding weeks of last year.

Retail sales for the first twenty weeks of this year totaled $80,206,217, a gain of $11,712,733 or 17.1% over sales a year ago.

Presenting the Younger Generation

Little Shepherdess

Beaming smiles and a happy disposition are characteristics of Kathy Millay, pictured first in today's representation of the younger set. She is the 3 year old daughter of Mr. and Mrs. James Millay Jr. of North State rd., Arlington Heights.

"Kathy has blonde hair, blue eyes and a favorite night-night doll," said Mrs. Millay when describing her litle girl. Much beloved are her two pet lambs.

Jimmy, Kathy's 10 month old brother, is the recent addition to the family. Mr. and Mrs. James Millay of 122 S. Highland, Arlington Heights, are the paternal grandparents and Mr. and Mrs. John Ness of S. Plum Grove rd., Palatine, are the maternal grandparents.

Mike and Jeff

Mr. and Mrs. Reese Martens of 307 N. Prospect Manor, Mt. Prospect, are the parents of the two young fellows pictured next.

The eldest with the short crew hair cut and the bright smile is Michael Scott. He is 3½ years old, has blond hair and blue eyes. Boisterous and active, this litle fellow is out doors playing most of the time.

Craig Jeffrey, or just "Jeff," will soon be "one of the boys." He has brown hair, blue eyes and is 1 year old. "The boys have a lot of fun together," declared Mrs. Martens. Baby Jeff is walking now. Teddy, the dog, is well liked by both youngsters.

Mr. and Mrs. Frank Martens of Barrington are paternal grandparents. Maternal grandparents are Mr. and Mrs. Albert Zornow of Elgin.

Normal three-year-old

Anything out of doors interests Ellen Everett, 3-year-old daughter of Mr. and Mrs. Robert G. Everett, 725 S. Mitchell ave., Arlington Heights. Ellen has light reddish blonde hair and hazel eyes.

"She's a perfectly normal 3-year-old," stated Mrs. Everett. She loves to run and play, the sand box and tricycle being favorites. Gold fish are her pets."

Ellen has a 9 year old sister, Elizabeth, who is in the fourth grade at the South school.

'Home in a silo' featured on Palatine farm

Many a local motorist, passing the Radio Club Farm at Northwest highway and Quintens rd., Palatine, has been watching with interest the emergence of four apartments from an old barn. But when windows suddenly appeared in the silo, that was a new one.

It seems that Jack Deynzer, owner of the property and operator of the Radio club in Chicago as well as the Farm restaurant in Palatine, recognized the need for additional housing, and regretted the little use of the barn on his farm.

He proceeded to make four apartments in the barn, then took on the most unusual job of all—a silo apartment.

COMPLETELY equipped for comfortable living, the three level apartment centers about an open, winding staircase, done in hand-carved pine. All of the walls are rounded, except two walls of the ground floor living room where a small, square-walled section was added to the original silo structure.

With cooking, dining and living space on the ground floor, bathing and storage facilities on the second level, and bedroom space on the third floor, the silo-apartment features attractive picture windows and thermostat-controlled oil heat.

FUTURE PLANS of Denyzer include a basement bar and recreation room to be shared by tenants of both barn and silo.

The apartment is beginning to receive national fame ever since Acme news took photos and is distributing them to Sunday rotogravure sections throughout the country. The latest newspaper to publish the series is the Courier-Press of Buffalo, N. Y.

Open bids on Milwaukee ave. new concrete

An apparent low bid of $190,909 has been received by the Illinois highway division, for 7.14 miles of concrete widening on Milwaukee ave., from River rd., about four miles north of Des Plaines, southeast to Waukegan rd., Niles. Apparent low bidder was Robert A. Black, Inc., 10 E. Erie, Chicago.
